## 3. Bantr - The Football Social Network

If you're anything like me, you're talking about football 24/7. You wake up thinking about football and go to sleep thinking about football. It consumes your life and when it isn't there you feel like there's a massive hole in your day. So, you love football and you love talking about football. Wouldn't it be great if you could just talk about footy? You can do that here on Football FanCast and Facebook is a great place to talk to your mates, but if you find it annoying when everything else on social networks gets in the way then Bantr is for you. Bantr is a social network by football fans for ... Bantr - The Football Social Network
