Workers Compensation Solicitor – Parramatta

Offering a National Practice, our client presents the very best environment in which to foster a new solicitor. This high profile Plaintiff firm has a fifty year history of delivering the highest quality legal services to its clients.

Whilst an opportunity of this calibre is rare, rarer still is the mentoring and litigation training you will receive. Your 2 to 3 years workers compensation knowledge will be recognised and regarded in line with the firm’s ongoing commitment to developing a stable team of outstanding lawyers.

To be successful in this role, you will be a Solicitor with extensive workers compensation experience gained in a Plaintiff firm. You will have the demonstrated ability to manage all aspects of a Workers Compensation practice. A dynamic and strong communicator, you will have an intelligent and analytical legal mind and the ability to interact with Plaintiffs and across all levels of the Firm.
