Here’s what happened at Orientation Session 1, 2009 (February intake)

On Friday, 13 February, the UWS Vice-Chancellor, Professor Janice Reid warmly welcomed commencing international students to UWS at the International Orientation held on Parramatta campus and hosted by UWS International.

About 1,000 students commenced their studies at UWS, with the majority coming from China, India, Vietnam, Canada, Germany, Hong Kong, South Korea, Nepal, Philippines and Saudi Arabia.

A highlight of the Official Welcome was the interactive performance of an Indigenous dance group, Liven Truth, who encouraged students to get involved in a number of traditional indigenous dances.
