<b>Notes</b>										
<p>The tuition fees quoted above are the fees for the normal full-time study load of the course (80 credit points per annum) in the year specified unless otherwise indicated. International students will be subject to a variable fee regime; i.e. be required to pay fees during their course based on the approved fee for each calendar year. Fee changes (if any) will occur at 1 January each calendar year. This applies to all courses except the MBA, and GDBA. The estimated total course fee given in offer letters will include the estimated tuition fees (based on the above information) and estimated student association fees for the duration of the course. Students who extend their course past the normal finish date of the course, either by repeating subjects through failures or by taking extra subjects, will be required to pay additional fees to be determined at the time, based on the prevailing fee levels.</p> <p>◆ This program has a duration of 6 months or less (full-time), therefore International students are required to contact DIAC for visa advice and eligibility prior to applying. <a href="http://www.diac.gov.au">www.diac.gov.au</a></p> <p>* The B Nursing (Graduate Entry) 4643 requires completion of 170 credit points ie. 1st year 100 credit points; 2nd year 70 credit points. The first year includes a pre-requisite introductory unit which is worth 20 credit points (UWS units are normally 10 credit points) studied in the summer session. Therefore, based on the 2011 rate, annual fees are set out as follow: 1st year \$26,000; 2nd year \$18,200. Note: the 2nd year fee is subject to change due to a variable fee regime i.e students will be required to pay fees based on the approved fee for that calendar year. All students will need to successfully complete the pre-requisite introductory unit called 'Introduction to Nursing' before being allowed to continue their study in the B Nursing (Graduate Entry). This unit has been organised to enable student feedback from week one (1). Students will be alerted in week three (3) of study if they are at risk of not passing the unit. If students do not pass the pre-requisite introductory unit, they will automatically be made an offer into the standard three (3) year B Nursing program (code 4642) for the February 2011 intake. Alternatively, students may nominate another UWS course for which they would like to be assessed. A special orientation program for B Nursing (Graduate Entry) students is normally held prior to the commencement of the course.</p> <p>◆ The M Professional Accounting (Advanced) requires the completion of 140 credit points comprising 70 credit points completed in each year. Therefore, annual fees are based on the completion of 70 credit points per year.</p> <p>▲ Application deadline is 31st October for Psychology programs. Quota applies.</p> <p>+ Application deadline is 31st October for M Creative Music Therapy. Quota applies. There are additional admission requirements for International students:</p> <ul style="list-style-type: none"> <li>● International candidates must have a recognised relevant overseas Bachelor's degree or equivalent and need to understand English to a high level - IELTS score (6.5)</li> <li>● International applicants who are unable to attend the audition are required to submit a DVD and a written essay.
