

University of
Western Sydney

Indigenous Education

The Badanami Alternative Entry Program Course and Career Planner

Indigenous students at the University of Western Sydney can now look forward to a supportive and friendly environment which promotes independent thinking and embraces diversity.

This Career and Course Planner has been designed as a quick reference guide to assist and inform you in making one of the most important decisions of your life. With the University of Western Sydney being one of the largest universities in Australia with over 2,000 staff and 35,000 students there are loads of pathways that will match your dreams.

Choose from over 14 discipline areas with a range of programs designed for the 21st century that yield economic and social outcomes. Our programs are continually adapted to meet the needs of an ever-growing community in a flexible and supportive atmosphere.

So if you're not sure what you want to do, or how to get there, this guide will provide you with the tools to determine your future.

Don't forget that there are a range of Indigenous scholarships to help you with the costs of tertiary study. Eligibility varies according to the scholarship so check out our website for further information www.uws.edu.au

| | Career | Suggested Course | Sufficient Literacy* | Basic Maths* | High Level Maths* | Enthusiasm* |

Finding your career type

When thinking about what jobs you may enjoy, it can help to think about how your personality fits in with specific work environments and careers. Different personality traits may correspond better with different environments. Look over the six 'career types' and try to identify your own personality and interests. While you may have some interests in and similarities to several of the six groups, you may be attracted primarily to two or three of the areas.

| CAREER TYPE | ARE YOU? | DO YOU LIKE TO? | CAREER POSSIBILITIES |
|---|---|---|---|
| Realistic The 'do-ers' | Practical, athletic, straightforward, curious about the physical world, persistent? | Work with machinery, tools, animals and plants, be outdoors, use your hands, be physically active, build things? | Engineer, Health and Fitness Consultant, Wildlife Officer, Ecologist, Physical Education Teacher |
| Investigative The 'thinkers' | Inquisitive, analytical, observant, precise, broad-minded, independent, logical, curious? | Explore ideas, analyse data, do research, problem solve, work with computers? | Criminologist, Scientist, Engineer, Nurse, Psychologist, Software Engineer, Web Developer, Lawyer |
| Artistic The 'creators' | Creative, imaginative, innovative, unconventional, expressive, emotional or original? | Express yourself creatively, deal with ambiguous ideas, attend concerts and art exhibitions, read fiction plays and poetry? | Actor, Advertising Executive, Drama Teacher, Graphic Designer, Journalist, Photographer, Writer, Arts Manager |
| Social The 'helpers' | Helpful, idealistic, outgoing, understanding, cooperative, patient, empathetic, kind? | Work in groups, help people with problems, do volunteer work, work with young people, serve others? | Psychologist, Social Worker, Nutritionist, Teacher, Home Economist, Health Promotion Officer, Nurse, Occupational Therapist, Youth Worker |
| Conventional The 'organisers' | Well-organised, accurate, methodical, conscientious, efficient, practical, systematic, ambitious? | Be responsible for details, collect or organise things, work within a system, work with numbers? | Accountant, Administrator, Tax Consultant, Event Manager, Librarian, Financial Planner |
| Enterprising The 'persuaders' | Self-confident, assertive, persuasive, enthusiastic, driven, ambitious, inquisitive, optimistic? | Make decisions, have power or status, initiate projects, sell things and promote ideas, organise events and activities, lead a group? | Advertising Executive, Marketing Manager, Public Relations Consultant, Financial Adviser, Journalist, Hotel Manager, Lawyer |
