Master of Financial Planning
Master of Financial Planning

This fully online course is designed to provide the educational basis to enable students to increase competence as professional financial advisers and enable them to gain an advanced knowledge and understanding of the financial planning industry.

ACCREDITATION
This course is accredited by the Financial Planning Association as meeting the entry requirements for the CFP Professional Education Program. This accreditation provides graduates with exemption from modules 2, 3 and 4 of the FPA's CFP program. Students should check the handbook for subjects that must be undertaken in order to meet the current RG146 requirements. The University is currently seeking accreditation with the Tax Practitioners Board to meet their requirements for Financial Planners.
