Student session cycle—
What you need to do each session at UWS

Step 1: Log into My Student Records (MySR) and check your enrolment. 
https://myuws.uws.edu.au/

Step 2: Check your student email 
http://studentmail.uws.edu.au/

Step 3: Check out the timetable for units you are enrolled in and register for tutorials using PWeb. 

Step 4: Go to First Year Central www.uws.edu.au/fyc for information about Orientation and complete the Starting Out Checklist

Step 5: Check services, facilities and social activities www.uws.edu.au/fyc

If required, seek advice/assistance from Academic Staff or Tutorial Groups. Access other services for students at www.uws.edu.au/ods

Step 6: Are you happy with your unit choices? You can add units without academic approval for the first 2 weeks of session and drop units until the census date.

Step 7: Complete ALL Assessment tasks

Step 9: Attend Examinations

Step 10: View and print your results from http://platformweb.uws.edu.au or MySR

Rest. Recover. Repeat.

Are you a:
Continuing Student
New Student

Step 4-5: Attend Lectures and other classes (such as tutorials and/or practicals) from week 1
