Journal of Planning History Prize from the Society for American City and Regional Planning History

Congratulations to Dr Heather McDonald on winning this prestigious international award. This is for an article, 'City Planning and the U.S. Census 1910 to 1960', Journal of Planning History (Volume 7 Number 4, Nov. 2008) chosen for the Journal of Planning History Prize for 2009. This is a new award, sponsored by SAGE, that recognizes the best article in planning history published in JPH between August 2007 and August 2009.
