Business & Law at UWS

‘The contemporary, applied and flexible nature of our programs means we attract a diverse range of students, including experienced managers from Australia and the Asia-Pacific region. UWS has award winning teachers and researchers and is continually improving its course offerings to ensure they meet the needs of industry and our students. UWS prides itself on the excellence of its teaching and the creation of a positive and personalised student learning experience.’

Associate Professor Craig Ellis
Executive Dean

UWS provides innovative and comprehensive business and law education to the Greater Western Sydney region and beyond, offering a distinctive range of professionally accredited and industry-recognised courses designed to lead to successful and fulfilling careers both in Australia and in the global market place.

UWS has been recognised for outstanding contributions to student learning at the 2010 national Australian Learning and Teaching Council (ALTC) Awards. The ALTC promotes excellence in higher education by recognising, rewarding and supporting outstanding teaching and learning practice.

At UWS you are encouraged to aspire to achieve great things in your career and community. With ground-breaking research, recognised nationally and internationally, our academics are challenging the boundaries of knowledge and laying down the pathways to success through teaching and learning excellence.

We provide a welcoming environment for all international students, and our campuses, spread across Greater Western Sydney, offer purpose built facilities designed to give you room to think, live, learn and be yourself.
Why choose UWS?

With a contemporary approach to study, work and innovation, UWS adapts to the changing demands of global business, education, communication and the environment. True to our slogan ‘bringing knowledge to life’ we combine academic study with practical experiences to deliver useful courses to help drive you towards your career goals.

### Balance of academic and practical learning
- Nearly all courses have practical components, so you will have plenty of opportunities to gain hands-on experience in real-life situations through case studies or practical work in our state-of-the-art facilities. There are also opportunities for external work placements or internships within industry.

### Teaching students skills for life
- You will be encouraged to adopt an independent, critical and analytical approach to each subject area.
- We encourage students to monitor new developments and to be adaptable to lifelong learning. Many courses specifically develop leadership and strategic-thinking skills.

### Industry-trained academic staff
- Our industry-trained academics are in touch with the professional world and help provide you with the best possible resources to succeed in your studies.

### Well regarded, innovative research programs
- UWS takes its responsibility to support high-impact research seriously, fostering a vibrant and dynamic research culture.
- Our reputation for research excellence has placed us in the Australian Research Council’s (ARC) funding top 20. Our research programs are geared towards making a difference in our communities and to contemporary life all around the world.

### English Language Training
- UWS owns a pathway college called UWSCollege – providing English Language tuition or academic preparation for students to succeed at UWS.

### UWS at a glance …
- Located in Sydney’s Greater Western region
- Multi-campus university – six campuses throughout Western Sydney
- Over 40,000 students – one of the largest universities in Australia
- Over 4,000 international students study at UWS every year from around the world: India, China, Canada, Germany, Korea, Thailand, Jordan, Malaysia, Sri Lanka, Bangladesh, Vietnam, Indonesia, Pakistan, Kenya, Japan, and more …
Are you thinking about building on your current career, pursuing a new one or following up on a lifelong study interest in Australia? UWS can help you meet your ultimate career goals.

Recent changes to the employment market have resulted in calls for higher professional standards and for graduates who can readily adapt to rapid technological and social change.

At UWS, our undergraduate programs are strongly career-orientated, will provide you with analytical and problem-solving skills and keep you abreast of trends and changes.

Providing you more opportunities to gain industry experience in Australia while you study.

Industry Experience
UWS successfully links students with organisations through its internship program. Each year, the Careers & Cooperative Education unit offers over 200 placements to students across a wide range of industries. In recent years, students have undertaken placements in various areas including website design, marketing, chemical testing, stormwater management, database development and social research.

‘Our students are at the heart of everything we do. We are committed to providing students with both the information they need to succeed in today’s social, political and economic climate and the skills that will help them to adapt for tomorrow’s future.’

Professor Janice Reid, AM
Vice-Chancellor and University President
University of Western Sydney
Helping you maximise your chance of academic success UWS offers support services to all students as well as extra services to international students to assist you in achieving your personal, academic and ultimate career goals. You will also have access to top class facilities to help you succeed in your studies.

Student Services and Facilities

Services for international students
International Student Advisors spend time each week on all UWS campuses to provide general advice on all aspects of student life including visa renewals and family support.

The International Academic Preparation Program is especially designed for new international students. It will assist you in your transition to the Australian university setting giving you valuable information and hands-on practical experience of:

» Australian academic culture
» tutorial participation and working in groups
» time and stress management
» assignment preparation
» academic writing
» rules of plagiarism.

Other services include an Airport Reception Program, Orientation Program and accommodation.

Services for all students
The Student Learning Unit will help you with your note-taking, critical thinking, essay writing and research skills. Some resources are also available online.

Counselling can help you with personal or academic issues. We provide a free and confidential service for all students.

Disability Service can assist students who have a disability or a chronic health condition.

Chaplains from a broad range of denominations, faiths and traditions offer advice, encouragement and support to all students.

Support and advocacy is also available from the Student Association Welfare Officers.

Access to top class facilities
UWS has excellent libraries, laboratories and state-of-the-art equipment and facilities to help you make the most of your studies.

Libraries
There are seven libraries across the six campuses featuring:

» books, journals, audio-visual materials, and internet/databases
» an inter-campus request system which allows you to order books from any of the six campuses
» convenient opening hours, generally 8.30am–9pm most weekdays, and until 4.30pm on weekends during semester time. Please check specific opening hours for each campus library at the website below.

More information about specialist facilities for each UWS campus is located in the UWS International profile, or www.uws.edu.au/campuses

www.uws.edu.au/about/facilities

Library locations are located in the UWS International profile, or www.uws.edu.au/campuses

http://library.uws.edu.au/
Computer laboratories
There are over 50 general-purpose computer labs, with over 2,000 computers across our six campuses featuring:
- IBM compatible PCs
- software including word processing, spreadsheet, database and statistical packages
- access to host computers and network services such as email
- assistance from an IT help desk and lab assistants
- open access 22 hours a day, 7 days a week.

UWS wireless
UWS students can access wireless email and internet on all campuses. You can connect to the internet from your compatible laptop from ‘anywhere’ on campus, provided you’re in a wireless zone. The project, AirUWS, is one of the largest undertaken in Australia with around 450 access points across all campuses – so you can connect to the internet at the library, campus cafe, lecture theatre, student residences or the outdoor.

Teaching and Learning – a different style

The teaching styles you will encounter at UWS and the study techniques required might be very different from what you have been used to in your home country.

At UWS ‘rote learning’ – or memorising information – is not the main method of teaching. You will, instead, be required to understand and apply concepts and theories and to critically examine and present a range of arguments to support your conclusions.

Lectures and tutorials
In undergraduate courses you will have many hours of lectures, tutorials and classes each week, as well as substantial amounts of unstructured time that you will be expected to spend on individual reading and research. You will be required to study a full load of subjects – normally four or more units (subjects) per teaching session (in some instances a minimum of three units can be studied and still be regarded as full-time). Generally, your study will be undertaken on a UWS campus involving a combination of lectures and tutorials for the majority of the course.

Class times and assignments
Lecture and class times for all subjects will be given to you when you enrol during Orientation Week. All students are required to be at lectures and tutorials at the specified times. You may be penalised if you do not comply. At the beginning of each teaching session you will be given ‘deadlines’ (final dates) for the completion of assignments in all your subjects. If you fail to meet these deadlines you may be penalised even though you have completed your work.

Assessments
Assessment methods vary from program to program. To pass most subjects students will be required to complete a number of assessment tasks during the semester. These may include essays, research papers, oral presentations, fieldwork, laboratory practicals, mid-term examinations, final exams and other assessment tasks.

The University acknowledges that some students encounter difficulties when they begin their university studies. It therefore provides academic support programs on most campuses to ensure that students are given the best opportunities to succeed.

Visit www.uws.edu.au/about/facilities

Attendance and academic performance
Attendance at class and submission of required work is also a condition of your student visa. The University is required to report poor attendance and poor academic performance of student visa holders to the Department of Immigration and Citizenship (DIAC).

Visit www.uws.edu.au/about/teaching
UWS Life – Your study destination

Australia is renowned for its physical beauty, its vibrant multicultural society and the outstanding quality of life it offers.

Australia ...

is a country almost equal in size to the USA and China, but its population is only 22 million, most of whom live in the major coastal cities – two people per square kilometre. It has hot summers and mild winters and diverse landscapes ranging from deserts to snowfields. Australia is the only nation to administer an entire continent and its outlying islands. The mainland is the biggest island and the world’s smallest, flattest continent.

www.australia.com

Sydney ...

People ...

are a friendly, energetic bunch with a tell-it-like-it-is approach to life. We are multicultural with more than 45% of people having been born overseas or a parent born overseas. Volunteer or join a sporting or cultural club to get to know people and make friends.

Lifestyle ...

is energetic, busy and varied. Many people explore the Sydney region on the weekends by going on bushwalks, shopping, socialising at different events or activities that are offered that month, and going out for a meal. Students often get involved in active pursuits to forget about study for a time.

Weather ...

is generally sunny with a moderate climate. Average temperatures are:

- 27 degrees celsius December – February
- 23 degrees celsius March – May
- 18 degrees celsius June – August
- 23 degrees celsius September – November

So explore, relax and enjoy spending time outdoors.

Passions ...

include socialising, eating, exploring and enjoying life. Events run year round and cater to every preference. Attend an event or activity you might not normally be drawn to; enhance your student experience, and enjoy the Sydney difference.

Visit the NSW Events website at www.more.nsw.gov.au/events for up-to-date schedules.

Achievement ...

Australia pursues a comprehensive and ambitious international economic agenda and the Greater Western Sydney region is recognised as Australia’s third largest regional economy.

It is home to 150 of the top 500 companies in Australia and is a growth area making it the ideal location for future leaders.

Sport ...

last but nowhere near the least, sport is a vital part of Sydney life. From community sporting clubs to the professional level Sydney has it all. Winter is the season for Australian Rules football and Rugby League while summer hosts cricket. There are plenty of teams to support and a variety of sports to play. Play a sport and keep healthy while you study.
Greater Western Sydney (GWS) is a global centre for trade, innovation and learning with the third largest regional economy in Australia.

The GWS region, the home of UWS, stretches from Parramatta (just 30 minutes from the City of Sydney) to the Blue Mountains National Park on the western edge of the metropolitan area.

While Central Sydney generally offers apartment-style living, GWS offers a more suburban lifestyle. With a population of nearly 2 million, GWS is the fastest growing region in Australia.

UWS is a national leader in how universities engage with their communities.

UWS in Western Sydney
UWS has a very strong commitment to work in partnership with people and organisations in Western Sydney.

Our goal is currently achieved through a diverse range of outreach programs and research projects. An example is the Cooperative Programs initiative – a student work placement scheme providing work experience relevant to degrees.

The multicultural community of Greater Western Sydney is one of the most diverse in the world with over 100 nationalities.

Multiculturalism and UWS
Being situated in Greater Western Sydney, and having the most diverse multicultural community in the world, UWS’s commitment to the region is proven immensely by the range of cultural groups and research groups we have.

Centre for the Study of Contemporary Muslim Societies is the UWS branch of the National Centre of Excellence for Islamic Studies, a collaboration of the University of Melbourne, Griffith University and the University of Western Sydney. The Centre aims to advance knowledge and understanding of Islam, particularly in the Australian context.

UWS formed the Muslim Harmony Group to build greater understanding and cooperation between Muslim and non-Muslim people.

Top 6 things to do in and around Western Sydney

1. Pat a koala or feed the kangaroos at Featherdale Wildlife Park www.featherdale.com.au
2. Learn about Australia’s first people – visit the Muru Mittigar Aboriginal Cultural and Education Centre in Penrith www.murumittigar.com.au
3. Take a trip with uwsconnect to see the sights on Sydney’s doorstep including the world heritage listed Blue Mountains, or learn to surf! www.uwsconnect.com.au
4. Eat out in Parramatta’s ‘Eat Street’ lined with cafes and restaurants offering cuisine from around the world
5. Visit Sydney Olympic Park – a great place for events, leisure and sport. Have a picnic or hire a bike and explore spectacular parklands and areas of cultural heritage www.sydneyolympicpark.com
The University of Western Sydney’s Business and Law programs provide innovative and comprehensive business and legal education to the Greater Western Sydney region and beyond, offering a distinctive range of professionally accredited and industry-recognised courses designed to lead to successful and fulfilling careers in the fields of business and law both in Australia and in the global market place.

In Business and Law UWS prides itself on maintaining a high level of community engagement and industry involvement in the Greater Western Sydney region.

The six discipline areas within Business and Law are:

Accounting: responsible for teaching and learning, research, and community engagement in the disciplines of accounting and financial advising and related areas.

Economics and Finance: courses provide opportunities for students to learn to think critically and communicate effectively on a wide spectrum of issues in economics, finance and property. The school has strong programs in property investment and property development. Other areas of strength include globalisation studies and international trade and finance.

Law: places special emphasis on the acquisition of legal skills with students undertaking a variety of assessment tasks concerned with the development of communication and advocacy skills; these include oral presentations, moot courts, negotiations, interviews and drafting work.

Management is actively engaged in local and international research and has a strong track record in engagement with industry particularly within Greater Western Sydney.

Marketing: blends academic rigour with the reality of the marketplace, providing both undergraduates and postgraduates with the skills and opportunity to rise to become industry leaders.

The Sydney Graduate School of Management (SGSM): is the Postgraduate Business School of the University of Western Sydney. SGSM is able to call on the very best qualified and most experienced academics within UWS as well as guest lecturers from business, the professions and government.

These experts have extensive academic, consulting and industry experience. Apart from having valuable industry links through collaborative research and consulting, the faculty’s international experience will provide you with valuable perspectives on conducting business in a competitive global environment. This ensures that not only the MBA but all courses are of the highest academic quality. Our diverse range of postgraduate courses provides a mix of theory and hands-on practice, thereby ensuring that your course is relevant and immediately applicable to your workplace.

SGSM is a member of the European Foundation for Management Development and the Association to Advance Collegiate Schools of Business (AACSB). These organisations are responsible for the promotion and recognition of excellence in management education and development.

Employer Links
Reflecting its strong ties with both business and industry, UWS Business and Law boasts numerous collaborations and partnerships with many high profile local and international organisations. The University of Western Sydney draws from 240,000 firms in the Greater Western Sydney area and facilitates and/or hosts a number of networks and initiatives involving these firms. Specifically, UWS Business and Law have access and membership to a wide variety of government and industry bodies. Specific companies with which the University has had links, either through research agreements or consultancy, are GS1, James Hardie, Merck Sharp & Dohme, Champions, Coleman & Greig, Matthews Folbigg Professionals and Woolworths.
UWS is committed to conducting leading edge research in Business and Law resulting in the creation of new knowledge that enriches our teaching, fosters social and economic outcomes, and has relevance and importance locally, nationally and internationally.

Business and Law provides a stimulating and vibrant research culture that fosters collaborative research with a strong focus on research education and training for our research candidates.

We collaborate with industry, government, community groups and other universities to produce high quality applied research that generates economic, environmental and social benefits for industry and other stakeholders. Academic staff members in the college publish regularly in scholarly and professional journals and produce monographs and books.

Research areas in Business and Law are varied and interdisciplinary: topics include corporate social responsibility, environmental and social sustainability, property investment, development economics, family law, human rights, public international law, international marketing, health care management and employment relations.

Within the Business and Law discipline area there are several research groups involved in multidisciplinary research projects in collaboration with industry, community groups and other universities.

For specific details on the research groups visit www.uws.edu.au/college/business/research

Undergraduate Business

UWS business students are offered a range of single and combined degrees designed to provide knowledge, experience and the contacts needed to successfully apply proven business principles in new and innovative ways.

Located near the central business districts of Bankstown, Campbelltown and Parramatta, and having extensive corporate networks, UWS business courses provide a focus for industry engagement in flexible course design, placements and practical challenges. UWS has encouraged an active program of high quality research focused on local, national and international issues where courses have been developed in consultation with leading industry practitioners.

Carlo van den Broeck
Philippines
Bachelor of Business and Commerce (Economics and Finance)

“My study has helped me be independent. It has taught me how to handle stress and to produce the best results. I always tell new students don’t be shy – if you don’t understand something, ask questions. This includes to university staff and fellow students. Also say, “Hi”, to the people next to you at your first lecture or tutorial. Most of the time you will make new friends.”

Note: UWS is a multi-campus institution; campus location will depend on the Bachelor of Business and Commerce major selected – refer to the relevant sections.

The Bachelor of Business and Commerce is a broadly based, multi-discipline undergraduate course offering flexibility and choice through a range of 9 different majors, each of which reflects a particular business discipline. Students may select any major offered on their home campus.

The course seeks to equip all students with a good understanding of basic business issues complemented by a high level of knowledge relevant to a specific business discipline, as applied in a global environment. Each specific business discipline has a capstone unit in engaged learning; this means that graduates from the course will be considered ‘business ready’ in terms of dealing with real world business issues and problems and generating real world business solutions. Students select their major at the commencement of their studies.

*Indicative tuition fees only. Fees will increase on an annual basis.

#Note: Property major available February only

www.uws.edu.au/international
Assumed Prior Knowledge
Mathematics. If you are unable to demonstrate sufficient levels of achievement in mathematics you will be required to use one of the elective units to increase your mathematical aptitude. This will not lengthen the period of study.

Course Structure
240 credit points

Qualification for this award requires the successful completion of seven Core units and nine units associated with a particular major and eight units as electives.

Note: due to professional recognition requirements, some majors include a higher number of units associated with that particular major and subsequently a lower number of elective units. Students should refer to the study sequence of the major they are enrolling in.

First Year Common Core Units
Business Academic Skills; Introduction to Economics Methods OR Statistics for Business; Introduction to Business Law; Management Dynamics; Marketing Principles; Accounting Information for Managers; Principles of Economics.

First Year Common Core units are studied in the first year of the Business and Commerce degree.

Majors
Note: units available for some majors have been listed below. For a full list of units available within all majors below please refer to the website.

Accounting
This major is available on Bankstown, Campbelltown and Parramatta campuses.

This major provides students with an in-depth knowledge of accounting, supported by knowledge of associated disciplines of law, economics, finance and statistics.

Professional recognition: This program is accredited with both CPA Australia and the Institute of Chartered Accountants in Australia (ICAA). Accreditation with CPA Australia means that graduates of this major (with selection of appropriate electives) will be eligible for entry to the CPA professional program leading to becoming a certified accountant. Accreditation with ICAA means that graduates of this major (with selection of appropriate electives) will be eligible for entry to the CA program leading to becoming a chartered accountant.

Career opportunities: Examples include employment in public practice, assisting clients by providing business and financial advice, auditing and assurance services, taxation and management consulting. Graduates can also work as systems accountants, management accountants, auditors, financial accountants and financial controllers in commercial enterprises, government and not for profit organisations.

Additional information: Emphasis is placed on the development of technical and personal skills needed to provide advice as business and financial professionals. A completed TAFE award or other recognised/approved higher education studies may allow you to gain advanced standing for selected units. Students in this major may be interested in completing a sub-major in Financial Planning or Commercial Law.

You will graduate with your major appearing on your testamur, i.e. Bachelor of Business and Commerce (Accounting).

Units
Year 1: all Core units and Financial Accounting Applications.

Year 2: Management Accounting Fundamentals; Intermediate Financial Accounting; Corporate Financial Management OR one elective; Law of Business Organisations OR one elective; Contemporary Management Accounting; Accounting Information Systems; Corporate Accounting Systems; and one elective.

Year 3: Auditing and Assurance Services; Taxation Law OR one elective; Advanced Accounting; Engaged Learning Unit; The Accountant as a Consultant; and four electives.

Applied Finance
This major is available on Campbelltown and Parramatta campuses.

This major is suitable for students committed to a career in the rapidly growing finance sector. It provides a strong grasp of finance along with foundational studies in accounting, economics, management and marketing.

Professional recognition: Students enrolled in this major who are also currently employed in the financial services industry are eligible for associate membership with the Financial Services Institute of Australasia (Finsia). All other students...
Career opportunities: Examples include roles in hotels, resorts, club sector, food service enterprises or other service-oriented businesses.

Additional information: This major offers considerable flexibility as students may elect to study a range of business-related disciplines as electives within the course. A completed TAFE award or other recognised/approved higher education studies may allow you to gain advanced standing for selected units. Students in this major may be interested in completing a sub-major in Economics or Financial Mathematics.

You will graduate with your major appearing on your testamur, i.e. Bachelor of Business and Commerce (Applied Finance).

Units
Year 1: all Core units and The Australian Macroeconomy.

Year 2: Financial Institutions and Markets; Corporate Financial Management; Economic Modelling; Investment Management; and four electives.

Year 3: Engaged Learning Unit (200537): Economics and Finance Engagement Project; Portfolio Management; two alternate units; and four electives.

Alternate units
International Finance; Financial Economics; The Superannuation Industry; Derivatives; Behavioural Finance.

Hospitality Management
This major is available on Parramatta campus.

This major is based on the concept of providing customers with not just service but an experience. Underpinning the idea of experience, three aspects common to many hospitality facilities are explored: event management, food and beverage management and accommodation management. These concepts and theories come together through in-depth investigations into hospitality operation and the hospitality industry. Graduates are also given the opportunity to interact with the hospitality industry throughout the course of this degree.

Alero Atayi, Canada
Bachelor of Business and Commerce (Applied Finance)

‘UWS first came to my attention during my first year in College. UWS stood out because it seemed that they spent the most time analysing my college curriculum and providing the appropriate credits. What I liked most about UWS was their professionalism – this was a major benefit. When I was in need of their assistance, I was aided and answered promptly. One unit in particular will be very beneficial to my future career aspirations - the Economics and Finance Engagement Project unit. This unit is service learning based (allows student to work with community). Currently, we are working as consultants for Parramatta City Council in real-life situations, not simulated, and this experience will prove invaluable upon graduation.’
Human Resource Management and Industrial Relations
This major is available on Campbelltown and Parramatta campuses.

This major is designed for people who seek careers in human resource management and industrial relations and is also suitable for line managers who need employment relations competencies to perform their general management responsibilities. Graduates will target areas that focus on recruitment and selection, performance management, training and development, pay and benefits, equity and diversity management, agreement negotiation, dispute resolution, policy analysis and industrial advocacy in private, public and community organisations.

Professional recognition: Accredited with the Australian Human Resources Institute.

Career opportunities: Examples include human resource management and industrial relations in public and private sector organisations and trade unions. Employment opportunities include positions such as training and development manager, employee relations manager, human resources manager, director of employment services, industrial relations officer and industrial advocate.

Additional information: A completed TAFE award or other recognised/approved higher education studies may allow you to gain advanced standing for selected units. Students in this major may be interested in completing a sub-major in Managing Organisations.

You will graduate with your major appearing on your testamur, i.e. Bachelor of Business and Commerce (Human Resource Management and Industrial Relations).

Units
Year 1: All Core units and Managing People at Work.

Year 2: Enterprise Industrial Relations; International Human Resource Management; Reward and Performance Management; Employee Training and Development OR Managing Diversity OR Occupational Health and Safety; and four electives.

Year 3: Workplace Behaviour; Negotiation, Bargaining and Advocacy; Processes and Evaluation in Employment Relations; Human Resource and Industrial Relations Strategy; and four electives.

International Business
This major is available on Parramatta campus.

This program has been developed in response to the needs of the growing number of employers and the burgeoning student interest in global business opportunities. A solid foundation in domestic business education supports a detailed knowledge of the international dimension of business, and the necessary understanding of the workings of that market system.

Professional recognition: Graduates will be eligible for membership of the Australian Institute of Export.

Career opportunities: Examples include international business, international marketing, export and import, positions in multinational companies and their subsidiaries, business research and strategy and development roles. Graduates will also find employment in the public sector, trade organisations, business and industry, education and research and in a range of business organisations with international connections.

Additional information: A completed TAFE award or other recognised/approved higher education studies may allow you to gain advanced standing for selected units. Students in this major may be interested in completing a sub-major in Managing Global Logistics and Supply Chains or Managing Globally.

You will graduate with your major appearing on your testamur, i.e. Bachelor of Business and Commerce (International Business).

Units
Year 1: All Core units and Introduction to International Business.

Year 2: Globalisation and Trade; International Marketing; International Marketing Research; Export Strategy and Applications; and four electives.

Year 3: International Business Strategy; International Business Finance; Engaged Learning Unit (200590); International Business Project; The Markets of Asia OR The Markets of Europe; and four electives.

Management
This major is available on Bankstown, Campbelltown and Parramatta campuses.
This major relates to management careers in contemporary private, public or not-for-profit organisations in Australia and abroad. The program covers the broad field of management and the critical knowledge and skills for success in contemporary organisations.

Career opportunities: Examples include graduate traineeships and entry level positions in functional areas such as human resources, marketing, operations or logistics. Graduates will also find employment in the public sector, trade organisations and the not-for-profit sector.

Additional information: A completed TAFE award or other recognised/approved higher education studies may allow you to gain advanced standing for selected units. Students in this major may be interested in completing a sub-major in Business Sustainability, Managing Global Logistics and Supply Chains or Operations Management.

You will graduate with your major appearing on your testamur, i.e. Bachelor of Business and Commerce (Management).

Units
Year 1: All Core units and Organisational Behaviour.

Year 2: Business, Society and Policy; Cross Cultural Management; Global Operations and Logistics Management; Organisational Learning and Development OR Organisation Analysis and Design; and four electives.

Year 3: Management of Change; Power, Politics and Knowledge; Engaged Learning Unit (200568): Contemporary Management Issues; Strategic Management; and four electives.

Marketing
This major is available on Bankstown, Campbelltown and Parramatta campuses.

This major prepares students for a career in any of the diverse fields of marketing in industry, commerce and in not-for-profit and government organisations. Students are exposed to the broad and dynamic field of marketing, providing knowledge which is critical to graduate capability in marketing roles in contemporary and emergent organisations.

Professional recognition: Students will have satisfied the educational requirements for recognition as a Certified Practising Marketer and may be eligible for membership of the Australian Marketing Institute and the Australian Market and Social Research Society (AMSRS). Students are eligible for Student membership to the Australian Market and Social Research Society (AMSRS) during their studies. Upon completion of their degree and with two years’ industry experience, they will be eligible to apply for full membership.

Career opportunities: Examples include product and brand management, sales management, advertising management, marketing management, market analysis, marketing research, marketing consultancy, distribution and logistics management. Other roles may be found in the emerging areas in communications, e-commerce and global marketing. This major prepares students for a career in any of the diverse fields of marketing in industry, commerce and in not-for-profit and government organisations.

Additional information: A completed TAFE award or other recognised/approved higher education studies may allow you to gain advanced standing for selected units. Students in this major may be interested in completing a sub-major in E-Marketing.

You will graduate with your major appearing on your testamur, i.e. Bachelor of Business and Commerce (Marketing).

Units
Year 1: All Core units and Consumer Behaviour.

Year 2: Marketing Research; Marketing Communications; Marketing of Services; Brand and Product Management; and four electives.

Year 3: Strategic Marketing Management; International Marketing; Engaged Learning Unit (200096): Marketing Planning Project; Business to Business Marketing; and four electives.

Yang Yang, China
Bachelor of Business and Commerce
‘I learned to practice critical thinking under pressure, and had the opportunity to give a speech to real industry partners. From my experiences I came to know myself, my strengths and which direction I’m heading in.’

James Barber, Canada
Bachelor of Business and Commerce (Marketing)
‘I like the smaller tutorial sizes and I find them more engaging. The content of the Bachelor of Business and Commerce is also practical and can be applied to the workplace.’
Property

This major is available on Parramatta campus.

This major uses the principles of a range of areas of property, business, planning and law for making effective decisions in property. The property industry is dynamic, with a wide range of professional career opportunities available in valuation, property investment and property development. Institutional investors with multi-billion dollar commercial property portfolios, the major property companies, valuation firms and the leading property advisory companies would be major employers of graduates, both in Australia and overseas. This program is practical and students are encouraged to participate in an industry-supported work experience program.

Professional recognition: Accredited by the NSW Office of Fair Trading and satisfies the educational requirements of the Office of Fair Trading for registration as a valuer (with selection of appropriate electives). With selection of appropriate electives, the course has been accredited by the Australian Property Institute for graduate membership leading to Certified Practising Valuer status. With a 10 day additional program run through UWSCollege in the mid-year break of the third year of the full-time course, successful graduates also meet educational requirements for a NSW Office of Fair Trading Real Estate Licence.

Career opportunities: Examples include property valuation, property development, property funds management, property investment analysis, investment banking, corporate real estate, property investment and finance, commercial property sales and leasing, property research, commercial, industrial and retail property management.

Additional information: A completed TAFE award or other recognised/approved higher education studies may allow you to gain advanced standing for selected units.

You will graduate with your major appearing on your testamur, i.e. Bachelor of Business and Commerce (Property).

Units

Year 1: Business Academic Skills; Principles of Economics; Introduction to Property; Building 1 OR one elective; Marketing Principles; Accounting Information for Managers; Introduction to Business Law; Principles of Valuation.

Year 2: Statistics for Business; Commercial Valuation; Management Dynamics; Property Development Controls OR one elective; Property Investment; Property Portfolio Analysis (V2); Rural Valuation OR one elective; Land Law OR one elective.

Year 3: Property Development; Commercial Property Management; Statutory Valuation OR one elective; Engaged Learning Unit (200360); 200360.1 Property Project; Property Finance and Tax; Valuation of Special Premises OR one elective; and two electives.

Sport Management

This major is available on Campbelltown campus.

This major is designed for people who seek careers in Australian and international sport management. Through a range of industry based projects, guest lectures and field visits students in Sport Management are exposed to many facets of a dynamic and growing industry. Students are introduced to sport management through a management simulation which underpins explorations into sport management through all levels of government and sporting teams including community based grass roots sport and high profile sporting organisations. This area of study also explores the concept of providing a sporting experience, with particular emphasis on sporting events.

Career opportunities: Examples include project management of events and facilities, sport administration for all levels of governments and all levels of sporting teams, management and co-ordination of leisure, sport and civic event departments, sport marketing, player management and sport public relations, elite sport development, sport and leisure programming.

Additional information: A completed TAFE award or other recognised/approved higher education studies may allow you to gain advanced standing for selected units.

You will graduate with your major appearing on your testamur, i.e. Bachelor of Business and Commerce (Sport Management).

Units

Year 1: All Core units and The World of Sport Management.

Year 2: Strategic Communication in Sport; Managing Service and Experience; Sport Management Internship; Sport and Hospitality Event Management; and four electives.
Year 3: Sports Management – Planning and Development; Service Industry Studies; Engaged Learning Unit (200580): Sport Management Applied Project; Contemporary Issues in Sport Management; and four electives.

Sub-majors
Further study can be undertaken in a wide-range of discipline areas including Business Sustainability, Commercial Law, Financial Mathematics, Economics, Managing Globally, Managing Global Logistics and Supply Chains, Managing Organisations and Operations Management.

For further information on available Sub-majors please refer to http://future.uws.edu.au/.

You will graduate with your major appearing on your testamur, e.g. Bachelor of Business and Commerce (Accounting). If a second major and/or a sub-major is completed, these details will appear on your academic transcript only.

The UWS Bachelor of Business and Commerce (Advanced Business Leadership) is an elite degree aimed at transforming today’s brightest business minds into tomorrow’s business leaders. This is a broadly based, multidisciplinary course offering flexibility and choice through a range of 9 different majors, each of which reflects a particular business discipline. The degree seeks to equip its students with a high level of knowledge relevant to a specific business discipline. The intention of the course is to provide a foundation for the development of future business leaders.

Additional information for applicants. This course is made available to high-achieving students only. Please refer to the online handbook for further information.

Course Structure
240 credit points

Units
Year 1: Business Academic Skills; Principles of Economics; Accounting Information for Managers; Marketing Principles; Management Dynamics; Introduction to Business Law; Statistics for Business; Introduction to Economic Methods; one Major specialist unit.

Year 2: Seven Major specialist units; and one elective.

Year 3: Advanced Business Seminars; Business Leadership; Frontiers of Business Theory and Analysis; Entrepreneurial Team; One Major specialist business Engaged Unit, and three electives.

Note: For information on available majors see 2753 Bachelor of Business and Commerce.

Entry Requirements:
Eligibility for admission to the Bachelor of Business and Commerce (Advanced Business Leadership) is based on the following minimum requirements:

» This course is made available to high achieving students only. Please refer to the online handbook for more information.

» Currently enrolled undergraduate students must achieve a GPA of at least 5.0 across two consecutive semesters.

» In addition to entry, students must continue to perform at a high level by maintaining a GPA of at least 5.0 across three consecutive semesters (with their performance to be reviewed annually). Students that fail to meet this performance requirement will be transferred to another UWS course that is deemed relevant in terms of completing their undergraduate studies.

*Indicative tuition fees only. Fees will increase on an annual basis.
The Business and Commerce honours program provides full-time undergraduate students with an extra year (and part-time students an equivalent two years) of high quality study to enhance their applied and analytical skills and knowledge of current research literature, and provides training in research methods in the college and schools therein. The training in applied and theoretical research will equip students for employment as business professionals as well as the required skills to undertake further research study. Students must complete two units and a thesis.

Admission
As per UWS Honours in Bachelor Awards

Policy: http://policies.uws.edu.au

Course Structure
80 credit points

Recommended Sequence
Qualification for this award requires the successful completion of 80 credit points including the units listed below.

Autumn session: Business Research Methods; Research Proposal and Seminar; Business and Commerce Honours Thesis A.

Spring session: Business and Commerce Honours Thesis B

This course is internationally recognised as a prestigious and high quality degree. It is designed to provide a broad based and highly flexible education in understanding how the economy functions. The topics covered span political and social sciences, financial and business disciplines.

Professional Accreditation
The Banking and Finance key program in the Bachelor of Economics fulfills the educational requirements for admission as an Associate (A Fin) of the Financial Services Institute of Australasia (FINSIA) provided the applicant is at least working in the financial services industry. All other students are eligible to apply for Affiliate membership (no postnomials apply).

Course Structure
240 credit points

The course is structured so that you receive an overview of economics and business in first year and the key program of study does not need to be decided until the beginning of the second year of study.

In addition, the course offers eight completely open elective units, which may be used to complete any eight unit major or four to six unit sub-major offered by any school at UWS.

Electives within the sequence may be used towards obtaining an approved major or sub-major for this award.

Units
Year 1: Principles of Economics; Accounting Information for Managers; Globalisation and Australia; Financial Institutions and

*Indicative tuition fees only. Fees will increase on an annual basis.
Markets; Corporate Financial Management; Introduction to Economic Methods; The Australian Macroeconomy; and one elective.

**Year 2:** Macroeconomic Theory; four key program units; and three electives.

**Year 3:** Four key program units; and four electives.

See Key Program descriptions for greater detail on the units available for each.

### Key Programs

#### Banking and Finance; Economic Analysis and Policy; International Trade and Finance; Property and Urban and Regional Development.

#### Banking and Finance
This key program provides a strong grasp of finance along with core studies in economics. Students can choose electives in other areas, or may choose to add further economics electives ranging from political economy to applied econometrics, and/or finance electives covering areas from superannuation to investment and risk management.

**Units**

**Year 2:** Macroeconomic Theory; Financial Institutions Management; Financial Institutions Lending; Economic Modelling; Industry Economics and Markets; and three electives.

**Year 3:** Choose two of Financial Economics OR Behavioural Finance OR Derivatives OR Applied Econometrics OR The Superannuation Industry; choose two of Government and the Economy OR Macroeconomic Issues OR Political Economy, and four electives.

#### Economic Analysis and Policy
This key program is designed for those with a keen interest in economics and public policy. It can lead to careers in a variety of areas including policy analysis and economic consultancy. Flexibility in the program allows you to pursue either a traditional economics program with a strong quantitative component, or a program that exposes the students to alternatives to the traditional economic paradigms.

**Units**

**Year 2:** Macroeconomic Theory; Government and the Economy; Industry Economics and Markets; Economic Modelling; and four electives.

**Year 3:** Microeconomic Theory and Applications; Macroeconomic Issues; choose two of History of Economic Thought OR Applied Econometrics OR Political Economy; and four electives.

#### International Trade and Finance
Globalisation is transforming world economic relations. The international trade and finance key program equips students with economic and financial knowledge that is appropriate to a range of careers in international commerce and financial institutions in general.

**Units**

**Year 2:** Macroeconomic Theory; Globalisation and Asia; Industry Economics and Markets; Economic Modelling; Globalisation and Trade; and three electives.

**Year 3:** Global Labour Markets; International Finance; choose two of History of Economic Thought OR Applied Econometrics OR Political Economy OR Macroeconomic Issues; and four electives.

#### Property and Urban and Regional Development
This key program is designed for those with a keen interest in economics who also wish to gain knowledge relevant to working in the property industry and regional government planning agencies. It can lead to careers in a variety of areas including policy analysis, economic consultancy and real estate management.

**Units**

**Year 2:** Macroeconomic Theory; Introduction to Property; Economics of Planning and the Environment; Economic Modelling; Industry Economics and Markets; and three electives.

**Year 3:** Property Portfolio Analysis (V2); Property Development; Urban and Regional Economics; Property Investment; and four electives.
Bachelor of Financial Advising 2727:4

This professional degree course is unique in its scope and coverage. The course is designed for individuals who seek specialist financial advising careers. It equips graduates with the necessary knowledge and skills and prepares them to face the challenges of working in the financial advising industry.

The financial advising industry is an emerging area and this course will supply graduates who have undertaken a comprehensive program in one or more of the three complementary fields of accounting, taxation and financial planning. This course offers graduates the potential for diverse career paths and provides marketability in multiple areas of expertise.

Professional Accreditation

Depending upon the electives and alternates chosen, this degree satisfies the accreditation requirements of the Financial Planning Association of Australia and the Australian Securities and Investments Commission (ASIC), as well as CPA Australia and The Institute of Chartered Accountants in Australia (ICAA), for entry into their CPA and CA programs respectively. In order to meet entry requirements for the CPA and ICAA professional educational programs students will need to complete all units in the accounting stream. In order to meet entry requirements for the CFP professional educational programs offered by the Financial Planning Association students will need to complete all units in the financial planning stream. Similarly, students will need to complete all units in the financial planning stream of the degree if they wish to be recognised as RG 146 compliant by ASIC.

Upon completion of the degree, students may also be eligible to apply for registration with the Tax Agents Board. The required units to meet preliminary educational requirements are included in the Core units. However, students will also need to meet other educational and professional requirements as stipulated by the Tax Agents Board, to gain recognition and become a registered tax agent.

Course Structure

240 credit points

Units

Year 1: Accounting Information for Managers; Introduction to Business Law; Principles of Economics; Quantitative Techniques; Financial Accounting Applications; Management Accounting Fundamentals; Law of Business Organisations; Managing Professionals.

Year 2: Law of Commercial Obligations; Taxation Law; Corporate Financial Management; Professional Relationships and Communication in Business; and four electives.

Year 3: State Taxes and GST; Advanced Accounting OR Financial Services Law (for students wishing to follow the Financial Planning Stream); Financial Planning; Advanced Taxation Law; and four electives.

In addition to the Core units previously listed, students choosing to complete the Accounting Stream or Financial Planning Stream, or streams, must include the specific units listed here under for each stream. (It should be noted the tax units required for recognition as a Tax Agent are included in the Core units).

Intermediate Financial Accounting is a pre-requisite to study 200109 Corporate Accounting Systems. Therefore this unit is compulsory for students seeking Accounting qualification and accreditation.

Accounting Stream: Corporate Accounting Systems; Systems Design and Audit; Advanced Accounting; and five electives.

Financial Planning Stream: Personal Asset Management; Insurance Advising – Theory and Practice; Estate and Succession Planning; Retirement Planning; and four electives.

*Indicative tuition fees only. Fees will increase on an annual basis.
Business Double Degrees

Combined or ‘Double Degree’ programs allow students to undertake a multi-disciplinary degree which spans academic and professional subject areas. A Combined Degree offers students an opportunity to increase their knowledge and versatility. Business double degrees are offered which combine Business with Humanities, Information and Communication Technology, Laws and Science.

For more detailed information please refer to http://future.uws.edu.au/

Please Note: All Business/Laws combined degrees are available on page 52.

This double degree program is designed for students whose interests span the Arts and Business. Study in the Bachelor of Arts component is designed to develop communication and personal skills, creativity and a capacity for independent thought, adaptability to new situations and problem-solving skills, attributes increasingly demanded by employers. The Bachelor of Business and Commerce (Marketing) major component introduces students to the increasingly important role of marketing as the major source of organisational revenue and as a key contributor to organisational performance. Students are exposed to the broad and dynamic field of marketing, providing knowledge which is critical to graduate capability in marketing roles in contemporary and emergent organisations.

Course Structure

320 credit points

Students who complete this award will graduate with a Bachelor of Arts and a Bachelor of Business and Commerce (Marketing), with the major from the Bachelor of Business and Commerce program noted on their testamur.

Students will complete 160 credit points of Arts units, comprising 80 credit points from the Bachelor of Arts component core and an 80 credit point Bachelor of Arts major. Students will also complete 160 credit points of Business and Commerce (Marketing) units.

Bachelor of Arts Majors

Arts Majors include:
- Religion, Anthropology and Philosophy
- Media and Visual Cultures

The Bachelor of Science/Bachelor of Business and Commerce double degree program allows graduates to span both the commercial and scientific worlds in a way that single degree graduates cannot. It provides students with the capacity for critical analysis and independent thinking. The double degrees permit students to undertake multi-skilling, and offer diverse career paths providing high marketability in multiple areas of expertise.

This double degree program equips its graduates with a qualification in science, combined with a good understanding of basic business issues, complemented by a high level of knowledge relevant to a specific business discipline as applied in a global environment. Graduates will have a solid grounding in a core science discipline such as Biological Science, Chemistry or Mathematics; alternatively, students can design their own academic program within the Bachelor of Science course structure, including a Science Major.

Students who complete this award will graduate with a Bachelor of Science and a Bachelor of Business and Commerce, with the majors from both degree courses noted on their testamur.

Course Structure:

320 credit points

Units

Students complete 160 credit points from the Bachelor of Science program, and 160 credit points from the Bachelor of Business and Commerce program.

Units will vary according to the key programs undertaken for Science and for Business and Commerce.

Majors/Key Programs

For completion of this course, students will select one Science key program and one Business and Commerce major.

Bachelor of Science key programs available:

» Biological Science
» Chemistry
» Mathematical Science
» No key program

Bachelor of Business and Commerce majors available:

» Applied Finance
» Hospitality Management
» Human Resource Management and Industrial Relations
» International Business
» Management
» Marketing
» Sport Management

Note: that not all majors are offered on both Parramatta and Campbelltown campuses.

*Indicative tuition fees only. Fees will increase on an annual basis.
Postgraduate Business

Master of Business Administration 5500.4

Course Code 5500
CRICOS 044873J
Duration 1 year full-time
Intake January/April/June/September
Campus Parramatta
2012 Tuition Fees* AUD$42,660 per annum
AUD$3,555 per 10 credit points

Alternate Exit Points
5501 Graduate Diploma in Business Administration
5502 Graduate Certificate in Business Administration

This course is currently undergoing a minor review. Please check the online handbook for updated information.

The MBA is a high quality generalist management degree. It is an ideal postgraduate program for any individual seeking to gain a greater depth and understanding of the core functions of management and business administration. It is designed to develop the skills, knowledge and competencies of managers and future managers who conduct business locally and internationally. The composition of the MBA provides a wealth of valuable grounding for managers. It equips managers to not only oversee the day-to-day operations of the organisation but also, more broadly, to manage their people, manage their money, and manage their markets, and to do so with an appreciation of the value chain that the people, money and markets constitute. Emphasis is placed on functional and applied skills, complemented by cultural studies designed to enable managers to act sensitively, appropriately and effectively in the international business environment. With a mix of theory and practice throughout the program, the MBA is relevant and immediately applicable to your workplace.

Course Structure
120 credit points (eight Core units and four elective units)

Core Units: Marketing Management; Value Chain Management; Managing People; Financial Management; International Business; Contemporary Organisation Behaviour; Accounting Perspectives for Management; Strategic Management (MBA).

Elective Units: International Financial Management; Investment Management; Managing E-Business; Managerial Psychology; International Marketing Management; Governance and Ethics; Negotiation for Managers; Conflict Resolution; Competitive Intelligence; Management Research Project I; Management Research Project II; Management Principles for Company Directors; Economic Contexts for Managers; Consumer Behaviour; Methods of Business Research; Creating Sustainable Organisations.

Entry Requirements
Applicants must have successfully completed an undergraduate degree, or higher, in any discipline and have a minimum three years full-time equivalent managerial/professional work experience; OR successfully completed an undergraduate degree, or higher, in any discipline and have a minimum six years full-time equivalent general work experience; OR successfully completed a Graduate Certificate in Business Administration or Graduate Diploma in Business Administration

Exit Points
» 5501 – Graduate Diploma in Business Administration
» 5502 – Graduate Certificate in Business Administration

Graduate Certificate in Business Administration 5502.3

Course Code 5502
CRICOS 044871M
Duration 6 months full-time
Intake January/April/June/September
Campus Parramatta
2012 Tuition Fees* AUD$14,220 per annum
AUD$3,555 per 10 credit points

Further Studies Available
5500 Masters of Business Administration

This course is currently undergoing a minor review. Please check the online handbook for updated information.

*Indicative tuition fees only. Fees will increase on an annual basis.
This course is designed to set the foundation of knowledge and skills in the core competencies of business and management.

The certificate is not only the first stage towards progressing to the MBA, but may also be taken as a stand-alone program.

The certificate is the perfect introduction to gaining an understanding of the workings of the management and the business arena. It offers practical strategies to approach the challenges involved in managing people, money and markets and shows how these core areas are linked.

The certificate is a particularly useful program for those who seek to immediately enhance career opportunities and for those who have been away from study for a long period of time. It is also a valuable introduction to postgraduate university studies.

**Course Structure**

40 credit points

**Core Units:** Students choose four of: Contemporary Organisation Behaviour; Accounting Perspectives for Management; Marketing Management; Value Chain Management; Managing People; Financial Management.

**Entry requirements**

Applicants must have successfully completed an undergraduate degree, or higher, in any discipline and have a minimum three years full-time equivalent managerial/professional work experience; OR successfully completed an undergraduate degree, or higher, in any discipline and have a minimum six years full-time equivalent general work experience; OR successfully completed an Advanced Diploma in any discipline and have a minimum six years full-time equivalent general work experience; OR a minimum of eight years full-time equivalent professional/managerial work experience.

This course is designed for accounting graduates and is specifically aimed at qualified accountants. You select contemporary topics based on research and case studies on accounting issues related to world-class organisations. It also facilitates entry to further graduate study for Master of Commerce (Honours) or PhD.

Applicants seeking professional recognition should have their qualifications assessed by a professional body (CPA Australia, ICAA or NIA). You may include two law units from the Master of Professional Accounting program. If more than two units are required for professional recognition then the Graduate Diploma or MPA should be studied wherever appropriate, prior to this degree.

**Course Structure**

80 credit points (two Core units and six elective units)

**Core Units**

Accounting Research (PG); Accounting Theory (PG)

**Elective Units**

Development of Accounting Information (PG); Financial Statement Analysis (PG); Accounting Research Essay (PG); Business Essay (PG); Accounting Research Project (PG); International Accounting (PG); Corporate Failure and Forensic Accounting (PG); Assurance Services (PG); Strategic Management Accounting

2691.3 Master of Accountancy

Alternate Exits Point 2686 Graduate Certificate in Accounting

This course is designed to give the flexibility of combining accounting, business and law units into an award.

Units chosen have to be relevant to accounting. Applicants who have included accounting units in their first degree and are seeking professional recognition in Australia should have their qualifications assessed by CPA Australia, The Institute of Chartered Accountants in Australia (ICAA), or the National Institute of Accountants (NIA). Depending on the number of units required following assessment by a professional body applicants may elect to study the Graduate Certificate in Accounting (four units), or this Graduate Diploma (six units) or the MPA if more than six units are required.

On completion of either the Graduate Certificate in Accounting or Graduate Diploma, you may wish to pursue further studies in an accounting Masters program.

Course Structure
60 credit points (six Core units from either of the following groups)

Units
Qualification for this award requires the successful completion of 60 credit points by choosing six units from either:
» 2689 Master of Professional Accounting (MPA); OR
» 2688 Master of Commerce (Accounting); OR
» any other UWS postgraduate offered units approved by the respective head of program

Entry requirements
Applicants must have successfully completed an undergraduate degree, or higher, in any discipline, OR a university diploma in any discipline, OR an advanced diploma in accounting and have five years full time equivalent business experience.

This course prepares you for an executive career in finance, banking, funds management and corporate treasuries. The degree is specifically designed to encompass all these fields so you can select the units appropriate to your chosen career. The course provides you with the technical knowledge necessary to function in an evolving and increasingly sophisticated financial environment with an emphasis on the practical application of these techniques.

**Accreditation**
The Master of Finance fulfills the educational requirements for admission as a Senior Associate (SA Fin) of Finsia – the Financial Services Institute of Australasia. Senior Associate membership with Finsia also requires at least 3 years career experience in the financial services industry. The Master of Finance also allows graduates to satisfy the education requirements for professional membership of the Finance and Treasury Association – Certified Finance and Treasury Professional (FTA-CFTP).

**Course Structure**
120 credit points (six Core units and six alternate units)

**Core Units**
Financial Modelling; Financial Institutions and Markets (MAF); Funds Management and Portfolio Selection; Derivatives; Security Analysis and Portfolio Theory; Corporate Finance (PG);

**Alternate Units**
Financial Institution Management; Credit and Lending Decisions; Law of Finance and Securities; Real Estate Finance and Investment; Marketing of Financial Products; Strategic Bank Management; International Finance; Economics (PG); International Trade and Industry Economics.

Students are permitted to complete up to two units from any other Masters degree offered by the College of Business and Law as part of the six alternate units.

**Specialisations**
Banking; Treasury; Property Investment

Alternate Exit Points
- 2708 Graduate Certificate in Applied Finance (40 credit points)
- 2745 Graduate Diploma in Applied Finance (60 credit points)

This course prepares you for an executive career in finance, banking, funds management and corporate treasuries. The degree is specifically designed to encompass all these fields so you can select the units appropriate to your chosen career. It provides you with technical knowledge necessary to function in an evolving and increasingly sophisticated financial environment with an emphasis on the practical application of these techniques. All of the units have been developed by individuals who are actively involved in the financial sector.

Accreditation
The Master of Applied Finance fulfills the educational requirements for admission as a Senior Associate (SA Fin) of Fin sia – the Financial Services Institute of Australasia. Senior Associate membership with Fin sia also requires at least three years career experience in the financial services industry. The Master of Applied Finance also allows graduates to satisfy the education requirements for professional membership of the Finance and Treasury Association – Certified Finance and Treasury Professional (FTA-CFTP).

Course Structure
80 credit points (three Core units and five alternate units)

Core Units
Corporate Finance (PG); Financial Institutions and Markets (MAF); Funds Management and Portfolio Selection.

Alternate Units
International Trade and Industry Economics; Financial Modelling; Financial Institution Management; Credit and Lending Decisions; Derivatives; Law of Finance and Securities; Real Estate Finance and Investment; Marketing of Financial Products; Strategic Bank Management; International Finance; Security Analysis and Portfolio Theory; Economics (PG).

Specialisations
Banking; Funds Management; Treasury; Property Investment

Entry Requirements
Applicants must have successfully completed an undergraduate degree in Business or Commerce; OR a Graduate Certificate in Applied Finance.

Exit Points
- 2708 – Graduate Certificate in Applied Finance (40 credit points)
- 2745 – Graduate Diploma in Applied Finance (60 credit points)

This course equips students with advanced tools that will enable them to handle complex issues relevant to open economies. It gives graduate economists and practitioners an opportunity to upgrade their skills in the areas of international economics, trade and finance, thus providing better career opportunities at a senior level in both the private and public sectors.

Accreditation
The Master of International Trade and Finance fulfils the educational requirements for admission as a Senior Associate (SA Fin) of Finsia – the Financial Services Institute of Australasia. Senior Associate membership with Finsia also requires at least three years career experience in the financial services industry.

Course Structure
80 credit points (8 Core units)

Core Units
Economics (PG); Corporate Finance (PG); Financial Modelling; Financial Institutions and Markets (MAF); Funds Management and Portfolio Selection; Derivatives; International Finance; International Trade and Industry Economics.

Entry Requirements
Applicants must have completed an undergraduate degree in Business or Commerce; OR a Graduate Certificate in Applied Finance.

Nada Karabinosova, Slovakia
Master of International Trade and Finance

‘Australia is a very attractive destination for international students. I’ve always wanted to combine my two favourite things in life – travel and study. UWS provided me with the opportunity to study at an extraordinary university and explore what Australia has to offer. The teaching standard at UWS is exceptionally the best, with that they have given me the confidence to succeed.’

*Indicative tuition fees only. Fees will increase on an annual basis.
Master of Commerce (Property Investment and Development) 2725.1

This degree is suitable if you hold a Bachelor’s degree in any discipline from a recognised university. Through its foundation of a solid business and commerce core, this degree provides you with a general knowledge of the basics of business e.g. Accounting, Finance, Marketing, Human Resource Management and Industrial Relations. Upon completion of the core, students may complete four units in one of the following specialisations: Accounting, Finance, Human Resource Management/Industrial Relations, Marketing, or Operations Management. Alternatively students may elect to complete a non specialisation where four units can be chosen from the various specialisations.

Ying (Sylvia) Xu, China
Master of Business and Commerce

‘The Master of Business and Commerce course provided me with an opportunity to choose the major that I was interested in. The course structure has also been designed to help students develop and enable them to gain a firm understanding of all aspects of business.’

Course Structure
80 credit points (four Core units and four units in any one specialisation).

Core Units: Human Resource Management; Management Skills; Accounting: A Business Perspective (PG) OR Introductory Accounting (PG)

Note: Students undertaking the Accounting specialisation must choose Introductory Accounting (PG); Marketing Systems OR Economics (PG). Students undertaking the Marketing specialisation must choose Marketing Systems.

Specialisations: Accounting; Marketing; Finance; Human Resource Management and Industrial Relations; Operations Management.

Entry Requirements
Applicants must have successfully completed an undergraduate degree in any discipline; OR a Graduate Certificate in any discipline; OR five years full-time equivalent managerial/professional work experience.

Exit Points
» 2632 – Graduate Diploma in Business and Commerce (60 credit points)
» 2633 – Graduate Certificate in Business and Commerce (40 credit points)

Applicants must have an undergraduate degree in any discipline; OR an Australian accredited Diploma or Advanced Diploma in business plus a minimum of four years general work experience in an operations management or business related field; OR a minimum of four years professional/managerial work experience in an operations management or business related field.

This course is currently undergoing a minor review. Please check the online handbook for updated information.

The course is a pathway for graduates and non-graduates to a Masters program for those who wish to prepare for senior operations management roles in manufacturing or service organisations, in both the private and public sectors. The course includes operations management, quality management, supply chain management, logistics, and project management. The course is intended to assist graduates to develop the perspectives and skills necessary for an integrated approach to planning, implementing, upgrading and managing business operations that enhance customer value and organisational effectiveness.

Course Structure
40 credit points (two Core units and maximum two alternate units)

Core Units: Operations Management; Project Management; Management of Quality; Supply Chain Management

Alternate Units: Risk Management; Strategic Technology Management; Strategic Analysis and Decision-Making; Purchasing and Materials Management; Business Re-engineering; Innovation and Entrepreneurship; Contemporary Engineering Organisation and Management Practice; Performance Measurement and Benchmarking; Business Research Paper.

*Indicative tuition fees only. Fees will increase on an annual basis.
Undergraduate Laws

Our mission is to be a law school that excels in education and research and values its students and staff. In the spirit of intellectual freedom we critically and ethically engage with the law and the issues of our time. We are actively committed to socially just and professional practice and we support and challenge our graduates to serve their communities with the same commitment.

UWS Law places special emphasis on the acquisition of legal skills with students undertaking a variety of assessment tasks concerned with the development of communication and advocacy skills; these include oral presentations, moot courts, negotiations, interviews and drafting work.

We offer students a supportive atmosphere – our academic, administrative and library staff are knowledgeable and student-oriented in their approach, and are available for individual consultation. We have excellent modern facilities with high quality library resources and moot courts, and there is an active and enthusiastic UWS Law Students’ Association and Law Alumni subchapter.

UWS Law – did you know?
Both Campbelltown and Parramatta campuses have excellent facilities, including moot courts for students to practise advocacy skills and excellent library and computer-based law research facilities.

Students have the opportunity to get involved with the Parramatta Community Justice Clinic and participate in pro bono practical experience.

This course provides students with professional legal skills, including the ability to analyse legal material and understand fundamental legal principles; an understanding of the relationship between law and society; general analytical skills for analysing and solving non-legal problems and specialised study into the Australian legal system.

Special emphasis is placed on legal skills. During their course students will develop skills in advocacy, negotiation, legal drafting and legal research.

Accreditation
Graduates are eligible to apply to the Legal Profession Admission Board for admission as a legal practitioner in NSW after undertaking prescribed professional legal training (PLT). The School of Law offers a Graduate Diploma in Legal Practice, which provides the PLT qualification for admission. A feature of the UWS law

*Indicative tuition fees only. Fees will increase on an annual basis.
degree is that students can simultaneously complete some of the PLT units required for admission as a legal practitioner.

Admission
This course is designed for graduates who have completed the requirements for a tertiary qualification at Bachelors level from a recognised university.

Course Structure
240 credit points

Units
Year 1: Introduction to Law; Torts Law; Contracts; Constitutional Law; Law Foundation; Criminal Law; Property Law; Professional Responsibility and Legal Ethics.

Year 2: Commercial Law; Equity Trusts and Remedies 1; Law of Associations; Equity Trusts and Remedies 2; and four Bachelor of Laws alternate units.

Year 3: Revenue Law; Dispute Resolution and Civil Procedure; Administrative Law; Criminal Procedure and Evidence; and four Bachelor of Laws alternate units.

For a list of alternate units please refer to the online handbook.

This course combines a broad liberal legal education with a strong practical orientation. It is designed to equip students with the required knowledge and skills for legal practice. Those not seeking to practise as legal practitioners will gain a liberal learning experience, which will be enriched by its exposure to the ethos and practice of the law.

The course provides students with: professional legal skills, including the ability to analyse legal material and understand fundamental legal principles; an understanding of the relationship between law and society; general analytical skills for analysing and solving non-legal problems; and specialised study into the Australian legal system. Special emphasis is placed on legal skills. During their course students will develop skills in advocacy, negotiation, legal drafting and legal research.

Careers
Careers include being a legal practitioner, such as a solicitor or barrister, employment in the banking and finance sector, accounting firms and and management consultancies, corporate management, education and publishing, government departments and regulatory authorities, marketing and human resources.

Accreditation
Graduates from this degree are eligible to apply to the Legal Profession Admission Board for admission as a legal practitioner in NSW after undertaking prescribed professional legal training (PLT). The School of Law offers a Graduate Diploma in Legal Practice, which provides the PLT qualification for admission. A feature of the UWS law degree is that students can simultaneously complete some of the PLT units required for admission as a legal practitioner.

*Indicative tuition fees only. Fees will increase on an annual basis.
Admission
Applicants should have completed a TAFE or University Diploma or Advanced Diploma; OR a record of study equivalent to one year full-time study at Bachelor level from an approved university.

Course Structure
320 credit points

Units
Year 1: Introduction to Law; Torts Law; Contracts; Constitutional Law; Law Foundation; Criminal Law; Property Law; Professional Responsibility and Legal Ethics.

Year 2: Commercial Law; Equity Trusts and Remedies 1; Law of Associations; Equity Trusts and Remedies 2; and four Bachelor of Laws alternate units.

Year 3: Revenue Law; Dispute Resolution and Civil Procedure; Administrative Law; Criminal Procedure and Evidence; and four Bachelor of Laws alternate units.

Year 4: Completion of eight Non-Bachelor of Laws electives.

LLB Alternate Units
For a list of alternate units please refer to the online handbook.

Kristin Hibbard, Australia
Bachelor of Laws

‘I liked the skills that were built into the course via the various assessment processes. Amongst other things, I have done mooting, presentations, drafting and negotiations, all in addition to the standard examination process …’
Combined Law Degrees

Combined or ‘Double Degree’ programs allow students to undertake a multi-disciplinary degree which spans academic and professional subject areas. A Combined Degree offers students an opportunity to increase their knowledge and versatility. The Law double degrees offered at UWS combine Law study with Humanities, Information and Communication Technology, Business, and Science.

All Law combined degrees follow the structure below.

Under the combined degree structure students obtain two degrees in five years. The degrees are structured to allow you to study the courses together, normally completing the non-law component first.

The UWS Law program provides students with professional legal skills including the ability to analyse legal material and understand fundamental legal principles; an understanding of the relationship between law and society; the skills to analyse and solve legal and non-legal problems and specialised study into the Australian legal system combined with a high level of business knowledge in general as well as knowledge relevant to selected business disciplines.

**Accreditation**

Graduates from this program are eligible to apply to the Legal Profession Admission Board for admission as a legal practitioner in NSW after undertaking prescribed practical legal training.

**Course Structure**

400 credit points

**Units**

The following is an example of the list of units offered with the law component:

- Introduction to Law
- Torts Law
- Law Foundation
- Criminal Law
- Contracts
- Property Law
- Constitutional Law
- Professional Responsibility and Legal Ethics
- Law of Association
- Equity Trusts and Remedies 1
- Commercial Law
- Equity Trusts and Remedies 2
- Criminal Procedure and Evidence
- Administrative Law
- Dispute Resolution and Civil Procedure
- Revenue Law

For a full list of units offered, please refer to the online handbook for the relevant double degree program.

*Indicative tuition fees only. Fees will increase on an annual basis.

This course offers a practical legal training at the postgraduate level. It is designed for those who are seeking to be accredited as legal practitioners and is directed at those who hold an undergraduate legal qualification from UWS.

Accreditation
This course is accredited with the Legal Profession Admission Board as satisfying the requirements for admission to practise in New South Wales.

Admission
Applicants must have successfully completed 12 Core units from the UWS Bachelor of Laws course.

Course Structure
80 credit points

This course is only available to UWS students who have completed or will complete the two professional legal skills alternate units in their Bachelor of Laws degree at UWS.

Qualification for this award requires the successful completion of 80 credit points which includes four Core units (20 credit points each) plus a professional placement.

Students must complete all other units prior to enrolling for their Professional Legal Placement.

Core Units
Professional Legal Skills; Legal Practice: Ethics and Management; Transactional Legal Practice; Litigious Legal Practice.

Professional Legal Placement
Professional Legal Practice: This unit must be undertaken in order to gain admission to practise in NSW.

*Indicative tuition fees only. Fees will increase on an annual basis.

* You will be required to enrol in a six week intensive Advanced Academic English Skills – Module A Reading and Writing at UWSCollege if you achieve:
  > the required IELTS overall score but where the band score in reading and writing is below the required score.
  > a TOEFL of 550 or above but have not taken the TWE.

All international students must have a good command of written and spoken English.

English is your first language
If your first language is English or if you can provide satisfactory evidence that your secondary or tertiary studies were undertaken in English, you may be considered to have met the UWS English requirements.

English is not your first language
If English is not your first language you are required to demonstrate proficiency by achieving the prescribed level in an approved English examination or test before you can receive a full offer of admission. See table on this page.

Note: Evidence of English proficiency is valid for a period of two years from the date of the test or the date of completion of tertiary academic studies in English.

Need extra English?
If you have not met the English language requirements for UWS, you have the opportunity to improve your skills at UWSCollege.

Further information can be found at www.uwscollege.edu.au
UWSCollege –
Your pathway to UWS

UWSCollege is wholly owned by UWS and is the University’s preferred provider of English Language, University Foundation and Diploma courses. This means when you enrol in a UWSCollege pathway program you are a student of UWS and have access to the University’s wide range of education, leisure and social facilities.

UWSCollege is dedicated to providing international and Australian students with a pathway to university.

UWSCollege programs provide the academic knowledge and the English Language skills you will need to undertake study at university. We also help to ensure that you have the personal, cultural and social support you need to stay focused and achieve your goals.

Academic Pathways to University
UWSCollege Academic Pathway Programs are the best way for you to prepare for university and include a fully accredited English Language Program, a University Foundation Studies Program and a Diploma Program.

English Language
CRICOS Code 060789E

The UWSCollege English Language Program offers fully accredited courses that can give you the confidence and communication skills you need to meet the challenges of university study. UWSCollege has built a national and international reputation on the results we deliver. We are a member of English Australia (EA) and University English Centres Australia (UECA) and all of our English programs are accredited with the National ELT Accreditation Scheme Limited (NEAS) Australia.

Academic English for Tertiary Studies

The Academic English for Tertiary Studies program is designed for students who need to improve their English skills for entry into UWSCollege Academic Pathway Programs and university study. There are four levels in this program:

1. Academic English Entry Program (AEEP) – This course provides a bridge between general English skills and academic skills in reading, writing, speaking and listening.
   During the course, students concentrate on basic grammar and sentence structure, then progress to more complex texts.

2. English for Academic Purposes I – Through general course work, seminars, factual reports and assignments, EAP I introduces students to academic writing, reading, listening and speaking skills.

3. English for Academic Purposes II – This course provides students with a broad academic language foundation and introduces students to a range of academic texts, building on the skills developed in EAP I.

4. English for Academic Purposes III – In EAP III, students develop their English language skills to an advanced level of academic writing, listening, reading and speaking. This course is excellent preparation for university. Students who complete it successfully do not have to take any further English language tests to gain entry to UWS.

Module B: Speaking and Listening

Module B focuses on providing you with high-level spoken communication skills for work or further study. It will also help improve fluency, pronunciation and public speaking skills. This course combines well with Module A.

For further information on English language requirements and intakes, please see page 57.

English Placement Test

UWSCollege offers an English Language testing service to determine whether you have the English language skills required for direct entry to UWS. The two-hour English Language Placement Test will assess your English skills in listening, reading and writing. If you do not achieve the English level required by UWS in our English Language Placement Test or you do not have an IELTS or TOEFL certificate, you can enrol at UWSCollege in an Academic English for Tertiary Studies course. This course will help you gain entry to UWS.

Advanced Academic English Skills

Module A: Reading and Writing

If you have either IELTS 6.5 or above, but a low score in reading/writing, or need to polish your writing skills before entry to further studies, Module A provides you with the intensive writing and reading practice you need.
## English Language Programs Table

* Christmas break: 22 December 2012 to 2 January 2013
University Foundation Studies
Extended - Three Semester
CRICOS Code: 064561D
Standard - Two Semester
CRICOS Code: 016665E

University Foundation Studies prepares you for university, both academically and socially. The course is designed to introduce you to the knowledge and skills you need for your undergraduate degree at UWS.

When you successfully complete your University Foundation Studies course, you will have specialised knowledge in your chosen field – and guaranteed entry to the first year of an undergraduate degree program at UWS or a Diploma at UWSCollege.

University Foundation Studies Streams are available in:
» Arts – for students wishing to study Arts, Humanities or Education
» Business
» Computing
» Nursing
» Science – for students wishing to study Science or Engineering.

Diploma Program
A UWSCollege Diploma is equivalent to the first-year undergraduate university program in the relevant discipline at UWS. When you successfully complete your Diploma, you can enter the second year of your UWS degree course. UWSCollege Diplomas are offered in:
» Business and Commerce
» Construction Management
» Engineering
» Health Science (Personal Development & Physical Education)
» Health Science (Health Promotion, Health Services Management, Therapeutic Recreation)
» Information and Communications Technology
» Science
» Social Science

Formats
The Diploma programs are offered in two-semester (eight month) and three-semester (12 month) formats. The two-semester format allows you to complete one university-equivalent year in eight months. This is a fantastic way to fast-track your studies and gain two valuable qualifications – a Diploma and a Degree.

Three-semester program (Standard)
Three-semester programs prepare you to complete your course. This timeframe is suitable for students with lower entry levels, or students who may require additional support.

Two-semester program (Fast-track)
Fast-track Diplomas allow you to complete the equivalent of one university year in two semesters (eight months). Each semester is 16 weeks.

Academic Pathways Package – the way to fast-track to second year university
If you want to complete your Degree as quickly as possible, you can fast-track your studies by completing a UWSCollege Diploma in two semesters (eight months). If you are accepted into the Fast-track Diploma program, you will have the opportunity to complete a three-year UWS degree in two years and eight months.

If you decide to combine your University Foundation Studies course with a Diploma, you will be eligible for a visa that lasts for the duration of both courses.

Degree entry requirements for Diploma students
To successfully complete your Diploma at UWSCollege you will need a 50% pass in all required subjects. This enables you to proceed to the University of Western Sydney with advanced standing of one-year-equivalent to a related UWS undergraduate degree course.

Further study at other universities
If you would like to apply to another Australian university you need to lodge an individual application with that institution.

Intakes
You can begin Diplomas at UWSCollege in February, June or October.

Please Note: not all courses are available in each intake. Please check the UWSCollege website for more details.

Entry requirements for University Foundation and Diploma programs

Academic entry requirements vary according to country of origin. For country-specific criteria, please see www.uwscollege.edu.au.

For any additional information please visit the UWSCollege website at www.uwscollege.edu.au

Admission to the University of Western Sydney is competitive and is on the basis of academic merit. The table below gives the minimum entry requirements, by country, for admission into courses at the University of Western Sydney and UWSCollege. These requirements should be read in conjunction with the UWS and UWSCollege online handbook and the English Language Proficiency Requirements as some programs require pre-requisite knowledge in specific discipline areas, or additional entry requirements which must be met.

Please Note:

» A combination of qualifications can be submitted and will be considered on a case-by-case basis.
» Applications from countries not listed are encouraged and will be assessed on an individual basis.
» All university qualifications must be from recognised and accredited institutions*.

**Notes**

# Score is based on Advanced Level where A=5, B=4, C=3, D=2, E=1 and Advanced Subsidiary Level results may be included based on A=2.5, B=2, C=1.5, D=1, E=0.5

~ Score is an aggregate based on passes in three academic subjects excluding General Paper where A 4.00, A- 3.67, B+ 3.33, B 3.00, B- 2.67, C+ 2.33, C 2.00, C- 1.67, D+ 1.33, D 1.00, F 0.0

* Score is based on H2 subjects where A=5, B=4, C=3, D=2, E=1 and H1 subjects may be included based on A=2.5, B=2, C=1.5, D=1, E=0.5

^ Score is based on A=5, B=4, C=3, D=2, E=1

∞ Score is based on A=5, B=4, C=3, D=2

• Score is based on A1=8, A2=7, B3=6, B4=5, B5=4, B6=3, C7=2, C8=1

** Please note that some degrees and awards are subject to an individual assessment.
How to Apply

Step 1
Submit application form
Complete the International Student Admission Application form. Your application will not be considered unless you have completed all sections of this form. You must:

» Ensure you clearly state the course code, course name, specialisation (if applicable) and your preferred choice of campus if options are available.

» Attach certified copies of all documents that are requested. For all previous secondary and tertiary studies you must supply official records showing all subjects attempted, grades achieved (including failures) and an explanation of the grading system. Degree or Diploma Certificates do not constitute official records.

» Sign and date the declaration on the last page of the form. If your documents are in a language other than English, you must provide an officially certified translation of each document, together with certified copies of the original documents.

Step 2
Assessment outcome
If you meet ALL of UWS’s entry requirements
If your application is successful we will send you an Offer of Admission. This will:

» describe the course into which you have been accepted

» describe the fees – including the course tuition fees (fees are subject to change) and compulsory Overseas Student Health Cover (OSHC) fees that are payable

» advise you of the course commencement date.

If you have not yet met UWS’s academic and/or English requirements:
A Conditional Offer of Admission may be granted if you do not meet UWS entry requirements.

The following UWSCollege and UWS courses can be packaged together for your visa:
1. University Foundation Studies + Undergraduate Degree
2. Diploma + Undergraduate Degree
3. University Foundation Studies + Diploma + Undergraduate Degree

If you do not meet our English Language requirements, these packages can also be offered with a UWSCollege English Language course.

To apply for a UWSCollege + UWS Pathway Package, complete the UWS International Student Undergraduate Application Form.

UWSCollege + University of Western Sydney Pathway Package Offers
A Package Offer of Admission may be granted if you do not meet UWS entry requirements.

UWS deposit
To secure a place at the University of Western Sydney, you must pay UWS a deposit of AUD$2,000 when you pay your UWSCollege course tuition fees.

UWS will hold the AUD$2,000 deposit until your university studies commence. The AUD$2,000 deposit will then be deducted from your first semester fees at UWS.

You will receive a Confirmation of Enrolment (eCoE) letter for the UWSCollege course, and a CoE letter for the UWS course.
Step 3

Apply for your student visa
You must obtain a student visa before you come to study in Australia. The Australian Diplomatic Mission in your home country will explain the requirements that you will need to meet to obtain your student visa. These may include proof of ability to pay fees and support yourself while in Australia, proof of your level of English language proficiency, and compliance with health regulations.

A package offer enables you to lodge one student visa application to cover the entire duration of your study in Australia, by combining the English program and academic program. If you have applied with the assistance of one of our overseas representative offices, that office will also be able to assist you with these procedures.

Note: the visa application process varies from country to country and may take up to three months.

Step 4

Accept your offer
You will need to download the UWS International OfferPack at www.uws.edu.au/international/downloads for relevant forms and all the details to accept your offer at UWS. Your acceptance form, eCoE request form and payment will then need to be sent to the University.

Step 5

Confirmation of enrolment
Once you have accepted your offer, we will send you a Confirmation of Enrolment (eCoE) that confirms your acceptance of admission to the course. You will need to take this to the Australian Embassy/Diplomatic Post stated on your eCoE to obtain your student visa.

Step 6

Plan your arrival
Get ready to start your studies at UWS.

Step 7

Activate your MyUWSAccount and enrol online via MySR
With MySR – our online student records system – you will be able to access your enrolment details at UWS. You will be able to enrol in, view and change units, update contact details, confirm enrolment details, and view and print results – all with the click of a mouse from anywhere around the world. Details will be provided with your confirmation of enrolment.

Step 8

Attend Orientation and commence classes
Make sure you arrive at least one or two days before Orientation commences so that you have time to settle into your UWS life before classes commence.

2012 Important Dates
UWS provides all international students with a specialised UWS International Student Orientation Program. This program begins approximately 10 days prior to the first day of classes for all sessions.

Important Information

Advanced standing or Academic credit
If you wish to apply for credit transfer for your previous studies, you should complete the relevant section of the International Student Admission Application form and a separate Application for Academic Credit form. Please ensure that you send certified copies of the required documentation with your application form.

Course Fees
Your Offer of Admission letter will list the fees you should pay: tuition fees, compulsory overseas student health cover fees and any other general charges levied by the University. All required fees must be paid in advance for each session/teaching period. Tuition fees are subject to annual increase (students commencing studies in the July session should take particular note of this as the tuition fees payable are likely to increase in the following session of study). In addition tuition fees will be payable:
  > if, due to academic failure, you are required to repeat a particular unit and take more than minimum time to complete your course
  > if you decide to take subjects in addition to the standard full-time load for your academic program. You will be required to pay for repeat or additional subjects.

Please note: annual course fees only cover the cost of your tuition. They do not include other expenses associated with university study such as books, equipment, accommodation and living expenses.

The annual tuition fee for each course can be found at: www.uws.edu.au/international/coursefees.html

Refund Policy
If you require a refund of your fees, it is important that you notify UWS International in writing as soon as possible. You must also provide a copy of your Confirmation of Enrolment, together with the mailing address to which you want your refund to be sent. Refunds are normally made to your home country, and only in exceptional circumstances are they made in Australia. The exact refund you will be entitled to depends on the reason why you need a refund, and how quickly you notify the University, in writing, that you require a refund.

A full copy of the UWS refund policy will be sent to you with your Letter of Offer or can be found at: www.uws.edu.au/international/feepol

Visa Conditions
Student visas and temporary entry permits usually last for the period of your course. Your student visa does not permit you to study part-time. You must be a full-time student. Your visa obligations will have been explained in the process of granting your visa, and will also be explained to you in documents you will receive at Orientation. However, it is your responsibility to ensure that you abide by the visa conditions. The University is obliged to report any student to the Department of Immigration and Citizenship (DIAC) who does not attend classes, or who is not making satisfactory progress in their studies. Under visa regulations you are required to leave Australia on or before the date your visa expires unless you have made a valid application for a new visa.

If you wish to renew your visa you should first access DIAC’s website at: www.immi.gov.au/students/students/extending_your_stay

You will need to obtain a new eCoE from the International Student Advisor responsible for the campus on which you are studying. You must lodge an application for a new visa before the expiry of your current visa.

Please note: While you are a student at UWS, it is a condition of your visa that you keep the University informed of any changes to your residential and mailing addresses.

For full information on the conditions and requirements of studying on a student visa please refer to the DIAC at: www.immi.gov.au/students

Overseas Student Health Cover
When you accept an offer of a place at UWS you will need to purchase Overseas Student Health Cover (OSHC) for the proposed duration of your student visa. This is a compulsory health insurance that is required for a student visa. Students from Norway and Sweden may not be required to take out OSHC if covered by their own health scheme and should check with their agent. OSHC is compulsory for all other students. The OSHC provider for UWS is OSHC Worldcare. Please note: OSHC does not cover any pre-existing conditions (such as pregnancy or prior illness). The cost of medical treatment is very high in Australia and you must meet any expenses not covered by OSHC. More detailed information about OSHC will be sent to you prior to your departure. Please read this information carefully.

www.oshcworldcare.com.au
International Student UNDERGRADUATE Application Form

- All fields must be completed in order for this application to proceed for assessment.
- Please print clearly in BLOCK LETTERS

Do not use this form if:
- you are a citizen of Australia or New Zealand or hold a permanent resident visa for Australia
- you are an international student completing an Australian high school qualification. You will need to apply through the NSW Universities Admissions Centre (UAC) www.uac.edu.au

Section A: Personal Details

Title: □ Mr □ Ms □ Mrs □ Miss □ Other: ____________
Family Name (as stated on your passport): __________________________
Preferred First Name or Alias: __________________________
Date of Birth (dd/mm/yyyy): ______ / ______ / ________ Gender: □ Male □ Female

Section D: Interpreting and Translation applicants only

Interpreting and translation applicants must demonstrate advanced proficiency in English AND one of Arabic, Mandarin, Japanese or Spanish.

Please select the language you wish to study: □ Arabic □ Mandarin □ Japanese □ Spanish

If the language you wish to study is NOT your native language you MUST attach evidence of advanced proficiency in that language.

Section E: English Language Proficiency

You must submit proof of your English language proficiency with this application.

Is English your first language? □ Yes □ No, my first language is:

Please indicate which of the following applies to you:

☐ I have completed / I intend to sit an English language proficiency test (IELTS / TOEFL). You must submit a certified copy of your IELTS or TOEFL results. Your English Language proficiency test must be no more than two years old at the time of commencement of the course in UWS.

Date of IELTS / TOEFL test sat or to be taken (dd/mm/yyyy): ______ / ______ / ________

Result (if known): IELTS Overall Score: ______ / ______ / ______

TOEFL TOEFL Score: ______ / ______ / ______ + TWE (Test of Written English) Score:

☐ I intend to study an English language pathway program at UWSCollege. Please complete the following section F.

☐ I have been studying in Australia or in a country where English is an official language. If you are, or have been, studying in Australia, UWS will consider studies undertaken within the past two years in assessing English language proficiency. Please tick the qualification you have completed or are currently studying.

☐ Senior secondary or year 12 qualification (e.g. HSC)

☐ University Pathway Program (e.g. UWSCollege)

☐ Tertiary study in Australia (e.g. Bachelor or Diploma studies)

☐ Secondary or tertiary study in a country where English is an official language

☐ Other

Name of course: __________________________

Name of Institution: __________________________

Country: __________________________

Duration: ______ / ______ / ______

Start Date: ______ / ______ / ______

Completion Date: ______ / ______ / ______

If you do not meet UWS English language requirements, you may automatically be considered for an English language pathway program at UWSCollege. If this is the case, you will be given a package of support from UWS and UWSCollege.

Please note, for visa application purposes, the Australian Government may require proof of English proficiency and may only accept IELTS. For more information please refer www.immi.gov.au/students

Section F: Academic Qualifications

Certified copies of academic qualifications indicating grades and awards received MUST be submitted with this application. If qualifications are in a language other than English, please also supply certified translated copies – see back of application form for details. Your application cannot proceed for assessment without these documents. Please note, a collection of result slips and/or downloadable web transcripts will not be accepted.

Current academic study (course yet to complete)

Are you currently enrolled in / studying an academic qualification? □ No □ Yes If YES then please complete the details below.

Is this a qualification for □ yes, expected date of completion (dd/mm/yyyy): ______ / ______ / ________

Name of qualification / award (e.g. Bachelor of Business): __________________________

Duration: ______ / ______ / ______

School / Institution: __________________________

Country / State: __________________________

Do you intend to complete this course? □ No □ Yes, expected date of completion (dd/mm/yyyy): ______ / ______ / ________

Please submit your certified academic transcripts for every session and year you have studied in the course above with this application. Once you have completed the course, you will need to submit your final completion certificate or graduation award to UWS International Admissions.
Section G: Application for English language and academic pathway programs at UWS College

Complete this section if you are also applying to study an academic pathway program and/or English Language pathway program at UWS College before your study at UWS.

For details of fees, courses and start dates please refer to www.uwscollege.edu.au.

**English language pathway program selection**
The duration of your English course depends on your English level. All students without an official English test result (e.g. IELTS) are tested on arrival at the College.

**Academic English for Tertiary Studies:**
- □ EAP
  - How many weeks?:

**Advanced Academic English Skills:**
- □ Module A: Reading and Writing (6 weeks)
- □ Module B: Listening and Speaking (4 weeks)
  
  □ Module A and B (10 weeks)
  □ Other (please specify):

When do you want to start your English course? (dd/mm/yyyy) ______ / ______ / ______

**Academic pathway program selection**

**University Foundation Studies:**
- □ Extended (3 semester program - February intake only)
- □ Standard (2 semester program)

Please select a stream:
- □ Arts - for students wishing to study Arts, Humanities or Education
- □ Business
- □ Computing
- □ Science - for students wishing to study Science or Engineering
- □ Nursing

**Diploma Programs:**
- □ 2 semesters
- □ 3 semesters

Please select a stream:
- □ Business and Commerce
- □ Construction Management
- □ Engineering
- □ Health Science (DOHPE)
- □ Health Science (Health Promotion, Health Services Management and Therapeutic Recreation)
- □ Information and Communications Technology
- □ Science
- □ Social Science

When do you want to start your academic pathway program? □ March □ June □ October Year: ___ ___ ___ ___

Section H: Academic credit / advanced standing for previous study

Do you wish to apply for advanced standing from previous study? □ Yes □ No □ Unknown

Please download the Advanced Standing Application form at www.uws.edu.au/international/credit.html.

You must include this form and certified documentation (as advised on the form) with your application.

Section I: Scholarships and Sponsorships

Have you been granted a scholarship? □ Yes □ No

Are you being sponsored? □ Yes □ No

If yes, please give the name of the scholarship / sponsoring organisation:

Duration of scholarship / sponsorship:

Course/s being sponsored (e.g. English + Pathway + UG/PG):

Contact person of the scholarship / sponsorship organisation:

If you've received the scholarship / sponsorship, please attach a certified copy of the document.

Section J: Application Fee Payment

The application of AUD$100 has been paid by (please tick one):

- □ Internet payment
  - Receipt no: (Internet payment can be made at: http://ipay.uws.edu.au/intro.asp)

- □ Telegraphic transfer
  - from an overseas account or bank transfer in Australia. A copy of the transfer must be attached to this application form.

- □ Bankdraft / money order
  - Account name: University of Western Sydney
  - BSB number: 062000
  - Account number: 13434939
  - Bank details: Commonwealth Bank, 48 Martin Place, Sydney NSW 2000 Australia. Swift code: CTBAAU2S

- □ Credit card
  - I authorise the deduction of AUD$100 application fee from the following credit card account (please tick):
    - □ Visa
    - □ Mastercard
  - Credit card number: ______ ______ ______ ______
  - Expiry Date (mm/yy): ______ / ______
  - Date (dd/mm/yyyy): ______ / ______ / ______
  - Card holder’s signature: ______________________________
  - Date (dd/mm/yyyy): ______ / ______ / ______
  - Email: _____________________________________________

Student’s name: ____________________________________

SID: (office use only) ____________________________

APPLICATION FEE WAIVED FOR 2012
Section K: Declaration and signature

1. I wish to be considered for entry to the course listed above, and declare that all the information submitted on this application form is correct and complete.
2. I authorise the University of Western Sydney to obtain official records from any educational institution previously attended by me.
3. I clearly understand and accept that enrolment in the University of Western Sydney will require compliance with the provisions established by the Australian Government for fee-paying overseas students, which include the following:
   3a. Temporary entry to Australia, if granted, will be for study purposes only.
   3b. To be accepted to study at the University of Western Sydney, I must have at least the minimum academic and English language requirements for the course.
   3c. I will be permitted to continue my study in Australia only if I make satisfactory progress in my course.
   3d. I will be required to continue my study in Australia only if I make satisfactory progress in my course.
   3e. I will advise the University of any changes to these details while enrolled at the University of Western Sydney.
   3f. I am to return home on the completion of my study or at the expiration of my temporary entry permit, and I understand that temporary entry as a student confers no right of permanent residence in Australia at a later date.
4. I undertake to pay the prescribed tuition fee for which I am liable, and am aware that failure to pay the charge when it becomes due means that I will not be permitted further temporary stay in Australia to pursue the studies which attracted the charge.
5. I understand I will be required to pay compulsory school fees for any children accompanying me to Australia who are aged between 6 and 15 years.
6. I understand that the University of Western Sydney reserves the right to vary any decision regarding admission or enrolment made on the basis of incorrect or incomplete information.
7. Should I be found ineligible for admission to either of the courses nominated on the front of this application, I authorise UWS to assess my eligibility for a university pathway course.
9. FEES For information regarding Fees please refer to our website at www.uws.edu.au/international/course_fees
10. REFUND POLICY For information regarding the Refund Policy please refer to our website at www.uws.edu.au/international/feepol

I have read and understood the above conditions and accept them fully.
Signature of applicant (not agent)

Date (dd/mm/yyyy): / / 

Parent/Guardian signature of applicant (for students under the age of 18 at time of application, the signature of a parent or guardian is required)

Date (dd/mm/yyyy): / / 

I grant UWS College permission to provide my parent(s), and agents or guardian(s), if requested, with any information pertaining to my application to study, ongoing academic progress, results and attendance.

Section L: Have you...

☐ provided your email address and phone number on the front of this application
☐ attached certified copies of ALL required documentation
☐ attached English translations of ALL required documentation
☐ signed the declaration

Section M: How did you hear about UWS?

☐ Agent ☐ Education institution
☐ Family / Friend ☐ Australian Embassy / High Commission
☐ Advertisement ☐ Education exhibition / interview program
☐ Other, please specify:

Certification of documentation

Documents can be certified by any of the following:
- a UWS International Officer
- a contracted agent of UWS
- a Student Centre Officer at UWS
- the Administration office or official Records Department of the institution which originally issued the document/s
- an Australian Overseas Diplomatic Mission
- a Bank Manager/Senior Police Officer (Australia only)
- a Solicitor/Attorney/Notary Public
- a Justice of the Peace

The Certifying Officer must print ‘this is a true copy of the original document sighted by me’. They should also record their name, contact address, telephone number, profession or occupation, or organisation, date verified and then sign the document. The Certifying Officer should include the official stamp or seal of the certifier’s organisation on the copy, if the organisation has such a stamp.

Warning: It is an offence to submit fraudulent documentation in support of an application. Where fraudulent documents are detected the application will be rejected, any offer of enrolment will be withdrawn and any student already studying at UWS will have their enrolment cancelled. The matter may be reported to ICAC (Independent Commission Against Corruption), the police, and DIAC (Department of Immigration and Citizenship).

Lodging your application

Please forward your application to:

UWS International Admissions
University of Western Sydney
Building ES, Parramatta campus
Locked Bag 1797
Penrith 2751 NSW
AUSTRALIA

Or email your application to uwsiadmissions@uws.edu.au

Please note:
- Satisfying minimum entry requirements does not guarantee admission.
- You will be advised by mail of the result of this application as soon as possible.
- If submitting documents by email, you will need to supply certified copies of original documents on request.

Students with disabilities
If you need extra help due to a disability while you are studying at the University, please provide a brief statement outlining your needs on a separate piece of paper. This information will be confidential and will not affect your admission to the area of study for which you are applying.
**International Student POSTGRADUATE Application Form**

- All fields must be completed in order for this application to proceed for assessment.
- Please print clearly in BLOCK LETTERS

Do not use this form if:
- you are a citizen of Australia or New Zealand or hold a permanent resident visa for Australia

<tr>
<th>From (dd/mm/yyyy):</th>
<th>_____ / _____ / __________</th>
</tr>
</thead>
</table>

Position:

<table>
<thead>
<tr>
<th>To (dd/mm/yyyy):</th>
<th>_____ / _____ / __________</th>
</tr>
</thead>
</table>

List any membership of professional associations:

Have you attached the form? □ Yes □ No, work experience is not a mandatory criteria for my course
Section M: Declaration and signature

1. I wish to be considered for entry to the course listed above, and declare that all the information submitted on this application form is correct and complete.
2. I authorise the University of Western Sydney to obtain official records from any educational institution previously attended by me.
3. I clearly understand and accept that enrolment in the University of Western Sydney will require compliance with the provisions established by the Australian Government for fee-paying overseas students, which include the following:
   3a. Temporary entry to Australia, if granted, will be for study purposes only.
   3b. To be accepted to study at the University of Western Sydney, I must have at least the minimum academic and English language requirements for the course.
   3c. I will be permitted to continue my study in Australia only if I make satisfactory progress in my course.
   3d. I undertake to inform the University of my Australian residential address and telephone number at enrolment.
   3e. I will advise the University of any changes to these details while enrolled at the University of Western Sydney.
   3f. I am to return home on the completion of my study or at the expiration of my temporary entry permit, and I understand that temporary entry as a student confers no right of permanent residence in Australia at a later date.

4. I undertake to pay the prescribed tuition fee for which I am liable, and am aware that failure to pay the charge when it becomes due means that I will not be permitted to further temporary stay in Australia to pursue the studies which attracted the charge.

5. I understand that I will be required to pay compulsory school fees for any children accompanying me to Australia who are aged between 6 and 15 years.

6. I understand that the University of Western Sydney reserves the right to vary any decision regarding admission or enrolment made on the basis of incorrect or incomplete information.

7. Should I be found ineligible for admission to either of the courses nominated on the front of this application, I authorise UWS to assess my eligibility for a university pathway course.

9. FEES For information regarding Fees please refer to our website at www.uws.edu.au/international/course_fees.

10. REFUND POLICY For information regarding the Refund Policy please refer to our website at www.uws.edu.au/international/feepol.

I have read and understood the above conditions and accept them fully.
Signature of applicant (not agent)

Date (dd/mm/yyyy): ______ / ______ / __________

Parent/Guardian signature of applicant (for students under the age of 18 at time of application, the signature of a parent or guardian is required)

Date (dd/mm/yyyy): ______ / ______ / __________

I grant UWSCollege permission to provide my parent(s), and agents or guardian(s), if requested, with any information pertaining to my application to study, ongoing academic progress, results and attendance.

Section N: Have you...

☐ provided your email address and phone number on the front of this application
☐ attached certified copies of ALL required documentation
☐ attached English translations of ALL required documentation
☐ signed the declaration

Certification of documentation

Documents can be certified by any of the following:

☐ a UWS International Officer
☐ a contracted agent of UWS
☐ a Student Centre Officer at UWS
☐ the Administration office or official Records Department of the institution which originally issued the document/s
☐ an Australian Overseas Diplomatic Mission
☐ a Bank Manager/Senior Police Officer (Australia only)
☐ a Solicitor/Attorney/Notary Public
☐ a Justice of the Peace

The Certifying Officer must print ‘this is a true copy of the original document sighted by me’. They should also record their name, contact address, telephone number, profession or occupation or organisation, date verified and then sign the document. The Certifying Officer should include the official stamp or seal of the certifier’s organisation on the copy, if the organisation has such a stamp.

Warning: It is an offence to submit fraudulent documentation in support of an application. Where fraudulent documents are detected the application will be rejected, any offer of enrolment will be withdrawn and any student already studying at UWS will have their enrolment cancelled. The matter may be reported to ICAC (Independent Commission Against Corruption), the police, and DIAC (Department of Immigration and Citizenship).

Section O: How did you hear about UWS?

☐ Agent
☐ Education institution
☐ Family / Friend
☐ Australian Embassy / High Commission
☐ Advertisement
☐ Education exhibition / interview program
☐ Other, please specify:

Lodging your application

Please forward your application to:

UWS International Admissions
University of Western Sydney
Building ES, Parramatta campus
Locked Bag 1797
Penrith 2751 NSW
AUSTRALIA

Or email your application to uwsiadmissions@uws.edu.au

Please note:

☐ Satisfying minimum entry requirements
do not guarantee admission.

☐ You will be advised by mail of the result of this application as soon as possible.

☐ If submitting documents by email, you will need to supply certified copies of original documents on request.

Students with disabilities

If you need extra help due to a disability while you are studying at the University, please provide a brief statement outlining your needs on a separate piece of paper. This information will be confidential and will not affect your admission to the area of study for which you are applying.
How to get more information on UWS

UWS International website
We recommend that you visit the International pages of the UWS website at: www.uws.edu.au/international

The website is specially designed to cover most of your questions and includes information on Australian lifestyle and culture, travel and social activities, links to useful websites, a pre-departure guide, downloadable documents, and lots of other useful material.

UWS Area of Study Guides
The UWS Area of Study Guides contain information on program structures and sequencing that may assist you in choosing your units of study at UWS.

UWS International Profile
The UWS International Profile contains information on the University, services & facilities, which help students in choosing a study destination.

UWS Research Prospectus
The UWS Research Prospectus details research work currently being undertaken and the groups and centres that are producing this work. The Research Prospectus gives students an insight into potential research areas they could become involved in.
