Take a look at Orientation: Session 2, 2008

The weather played well for us on Friday, 18 July 2008. On this typical Australian winter day, UWS International welcomed over 250 international students to UWS.

Orientation is exciting: a new environment, new faces, new learning and for many it is even the first time in Australia.

The Orientation program will help you in your transition to university. Here are photo highlights from last Orientation in July 2008. We look forward to seeing you next time!

Left: Special Welcome by Councillor Paul Barber, Lord Mayor of Parramatta and Prof. John Ingleson, Deputy Vice Chancellor Academic and Enterprise
Right: Indigenous dance performance and new students getting involved in the traditional dance.

Left: Students having fun with a stilt walker and magician.
Right: Enjoying the fine art of a tattooist (at least temporarily!).
Below: Having a festival of flavours with Thai, Indian and Aussie BBQ.
