Annual Progress Reports

All Annual Progress Reports have now been processed. This process provides an excellent opportunity for two-way feedback for our HDR candidates. Thanks to all supervisors and the administrative staff for coordinating this important task. All students should have now received feedback from the Research Office.

Postgraduate Research Student Colloquium 2010

REMINDER: Please mark this date in your diary:

The Postgraduate Research Student Colloquium for 2010 will be held on the 3rd and 4th November at the Crowne Plaza Parramatta. This is an excellent opportunity for all candidates to present their work to date and to request feedback from staff and their peers.

Presentation at the Colloquium is mandatory for Higher Degree Research Candidates. All candidates who have completed their Confirmation of Candidature are required to present at the Colloquium as part of their candidature. If for some reason you are not able to attend please contact Prof. Bobby Banerjee, Associate Dean (Research) as soon as possible.

All candidates presenting will be required to provide an abstract of their presentation by the 31st August 2010 to Judy Foster.

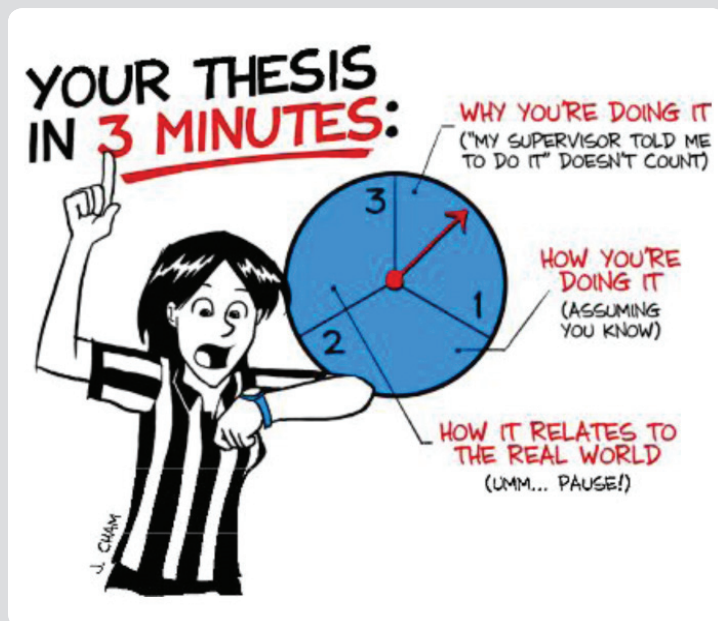

All candidates and staff are encouraged to attend and provide constructive feedback.

Further information will be sent to student email addresses, so please ensure that you access your student email regularly.

3 Minute Thesis Competition

The inaugural College 3 Minute Thesis Competition took place on Tuesday 15th June and was attended by many academics and students. It turned out to be a lively event. The College of Business winners were Laura Luo, Ryan Gould and Zahid Hasan. The winners were awarded \$500 to spend on research expenses. Congratulations!!

Laura, Ryan and Zahid will be competing in the university competition on, Thursday 19th August 2010, against six other participants from the College of Health and Science and College of Arts. The winner of this competition will be competing at University of Queensland in September in the national competition. Good luck!

Innovation and Industry Studies Group

New Study on Trades and Technical Staff in Australian R&D.

Dr Phillip Toner and Dr Richard Woolley have recently completed a research project commissioned by DEEWR, *The Role and Contribution of Tradespeople and Technicians in the Australian R&D Workforce*. The project has attracted much international attention and in June, Phil was invited to present the findings of this bench-mark study to the Organisation for Economic Co-operation and Development (OECD), Directorate for Science, Technology and Industry, in Paris in June. He also presented the findings at a seminar in the Business School at King's College, London. In follow-up to this work the OECD has agreed to be an international partner with CInIS for the development and submission to the ARC for a Linkage grant in 2011.

CInIS to Convene an International Workshop on 'Inter Asian Connections'

The Hong Kong Institute for Humanities and Social Sciences (HKIHSS) at the University of Hong Kong, the National University of Singapore (NUS), and the Social Science Research Council (SSRC) have appointed Professor Tim Turpin and Professor V.V. Krishna (Visiting Professor at CInIS) to convene an international workshop in Singapore in December on the role of the social and humanities researchers in regional innovation. The Workshop *Regional Knowledge Hubs in Asia: the Social Sciences and Humanities in Science and Technology Human Capital*, will bring together scholars from seven countries in the region.

CInIS Engaged with new ASEAN Skills Mobility Project

Professor Tim Turpin, together with Associate Professor Robyn Iredale from the ANU and Professor Charles Stahl from University of Newcastle have been successful in winning a new contract from the ASEAN Secretariat to undertake a study of the progress across ASEAN member countries toward the 'free-flow' of skills for trade in services. This work builds on earlier studies carried out through CInIS on the status of skills recognition arrangements across the region. The study will focus mainly on mobility under GATS Mode4 and the ASEAN Free Trade Agreement (AFTA).

CInIS Project Report on VET and Australian Innovation

Dr Rob Dalitz presented a general overview to a national conference in Perth in July of findings to date of a new CInIS study, funded by the national Council for Vocational Education Research, into the relationship between *VET and Australian innovation*. The study VET and the Diffusion and Implementation of Innovation is focused on innovation and training three industry sectors: Mining, solar energy, and the games industry.

Research in Health Organisation and Management

COB core Members: *Anneke Fitzgerald, Terry Sloan, Ann Dadich, Kate Hayes, Kathy Eljiz, Kathy Tannous, Prem Samaranayake.*

RHOaM is a newly created subgroup within CInIS. This is a group of 17 affiliated researchers across UWS aim to build a strong national and international reputation through collaboration across colleges and across universities. This group directly supports 7 PhD candidates who all study in the area of Health Organisation and Management.
