Have you noticed that we don’t have enough women in leadership positions in Business and Government?

Have you ever thought about doing something to change this?

How about taking a first step to making sure you are one of the women who climb the corporate ladder fast?

Your chance to speed up your career

Eligible female students in the Schools of Accounting, Law, and Economics and Finance now have a great opportunity to participate in the 2010 Lucy Mentoring Program.

You can apply to join the Lucy Mentoring Program — team up with a Senior Woman Manager in Business or Government and see what it takes to get to the top — if you are:

- an Australian citizen or a permanent resident in Australia
- a female student enrolled in second or third year Accounting or Economics & Finance, or fourth or fifth year Law
- enrolled in a course in either of the School of Accounting, School of Economics & Finance or School of Law

Priority will be given to female students who are in the first generation of women in their family to attend university, went to high school or currently live in the Greater Western Sydney area.
