A friendly and rural community
Established in 1789, the Hawkesbury region is one of the earliest colonial settlements in Australia. It is located at the foot of the Blue Mountains, adjacent to the vast wilderness of the Blue Mountains and Wollemi National Parks, where pristine creeks feed into the magnificent Hawkesbury River. Despite Hawkesbury’s close proximity to Sydney, Australia’s largest city, it is still very much a rural community, with market gardens, orchards and rich pasture covering much of the landscape, from the floodplains to the hills. Known as the ‘food basket’ for Sydney, the Hawkesbury area grows a vast range of produce including stone fruits, oranges, apples, pecan nuts, berries and various vegetables, many of which are for sale at various stalls dotted around the roads. The population of 70,000 is spread through five rural townships and some smaller villages. Tourism and agriculture are the main sources of income. Although quiet and peaceful, the area is well serviced by retail shops and recreation areas as well as direct road and rail links. Hawkesbury campus is in picturesque Richmond at the foot of the Blue Mountains. The campus history dates go back to 1891 when the New South Wales Department of Agriculture established the Hawkesbury Agricultural College. The campus has many heritage buildings, a working farm, and extensive orchards and vineyards.

It is also a thriving legal, educational and healthcare centre, and home to some of Australia’s biggest corporations and government agencies. Parramatta has some excellent examples of early colonial architecture including Old Government House, Elizabeth Farm, St John’s Cathedral, the Lancer Barracks and the Linden House Museum. Should you wish to defer the commencement of your course please write to UWS requesting a deferment with explanation of the reason. You must also attach a copy of your offer letter. UWS will advise the outcome of your deferment request.

NOTE: Your application will be reassessed against the academic and English language entry criteria for the new commencement period before a deferment is approved.

Refund request
If you have accepted your offer, paid fees for the first session and received an eCoE, you are ready to enrol online via MySR (within the enrolment period).

**NOTE:** If you have received your offer from UAC or if you are a combined degree student – please read the additional information on how to accept (see page 10).

**Step 1: Set up your MyUWSAccount**

Your MyUWSAccount [https://myuwsaccount.uws.edu.au](https://myuwsaccount.uws.edu.au) is a secure environment providing a username and password for your access to many UWS areas. We send important information about your enrolment to your student email account, not by post, so it's important that you check it often.

**Step 2: Plan your course**

All students – check your course structure and unit selection options

The first thing you need to do is check the online handbook for information about the structure of your course and available units. This is available at: [http://handbook.uws.edu.au/hbook/](http://handbook.uws.edu.au/hbook/)

**Step 3: Login to MyStudentRecords (MySR)**

To access MySR go to MyUWS [http://myuws.uws.edu.au](http://myuws.uws.edu.au) and use your Student ID number and password to login. Then click the ‘MyStudentRecords’ link on the left of the page. Click on the ‘Enrolment’ link listed in the menu on the left hand side of the page. This page will display the steps you need to follow to complete your enrolment. If you are accessing MySR from home, you need to be aware that:

- MySR uses pop-up windows. Windows XP Service Pack 2, virus protection programs and web browsers may block these pop-ups. Information on disabling pop-up blockers is downloadable from the ‘Help’ section at the bottom right hand corner of MyUWS.
- You need to have Javascript installed on your computer to use MySR.

Help using MySR is available online at: [www.uws.edu.au/students/stuadmin/mysrhelp](http://www.uws.edu.au/students/stuadmin/mysrhelp)

**Step 4: Complete the online forms**

You must complete all required forms and steps in order: Personal details, Address Verification, Course details, Special Requirements, Unit Sets, Declaration, Government Statistics and Commonwealth Assistance Form (eCAF). Some pages have help available — look for the red button.

**Step 5: Select and confirm your units**

Unit selection is managed using a shopping cart. You need to ‘fill’ the cart with all the units you intend to study for the full year. Some students may find core units already listed, and will only need to confirm their enrolment in these. Other students will have to add all their units by entering the code in the ‘Unit Code’ field.

**Step 6: Print your receipt and log out**

Once your enrolment has been completed, a receipt of your enrolment will be displayed. Please save and/or print a copy for your records.

**Step 7: Register into your tutorials using PlatformWeb through MyUWS**

You must now register for your tutorials. To complete tutorial registration, use your MyUWSAccount details to log on to PlatformWeb through MyUWS at: [http://myuws.edu.au/tutorialregistration](http://myuws.edu.au/tutorialregistration)
Starting studies at a university is exciting. Starting studies in another country is exceptional: a new environment, new faces, and a new way of learning. At UWS, we strive to play a key, supportive role in your academic growth. Our Orientation program will help you in your transition to university – and to a new chapter of your life.

Orientation is the time to ask all questions, to meet other students, have fun and dive into the Australian culture!

Orientation introduces you to the University and key staff members, and provides you with crucial information and advice that will assist you in adjusting to the living and learning environment of the University. You will receive academic advice about your course and support in how to enrol in the correct units of study.

The UWS Orientation program runs over two days and is specifically designed for international students and usually takes place 10 days before classes commence. All international students are invited and should attend! Please make sure you arrive in Australia at least one to two days before the commencement of the Orientation Program.
